SPARTANS HAVE "THE SPIRIT"!

Brookfield Spartans have always shown a great amount of school spirit. It can be found at many different times and places: during the school day, when teachers and students inter-act; after school, in extra-curricular and sporting activities.

Spartan Spirit is part of our great American youth movement. It expresses the opinions and feelings of those people who are the future leaders of our country. As this is the year of our nation's bicentennial, we, the ECHO staff of '76, feel it is important to recognize our American Heritage. It is equally important, however, to recognize the feelings of East's students and faculty in 1976. In saying this, we would like to dedicate this 1976 ECHO to all Spartans and their Spartan "Spirit of '76!"

The astronauts aren't the only human beings who have visited the "Dark Side of the Moon". Members of Brookfield East High School's student body had an opportunity to do so during the homecoming dance in mid-October. Couples danced to a variety of tunes including the coronation song "Us and Them". Reflections from a mirror ball flitted across the walls and ceiling of the darkened gym. On the back wall carefully cut red hearts announced the names of the couples present. Sparkling silver stars also added to the atmosphere. Coming down to earth was difficult for those students who spent a night on the "Dark Side of the Moon"!

A STUDENT'S WORK IS NEVER DONE

Not only do parents come home after a hard day's work, but several East students do too! After a day at school and a job in the remaining hours students keep themselves occupied.

Two important benefits can be gained from working—experience and money. A job can also give a person a feeling of self-confidence and provide an opportunity to make new friends. No wonder such a large percentage of students work!

SPANISH STUDENTS SEEK FURTHER INTERESTS

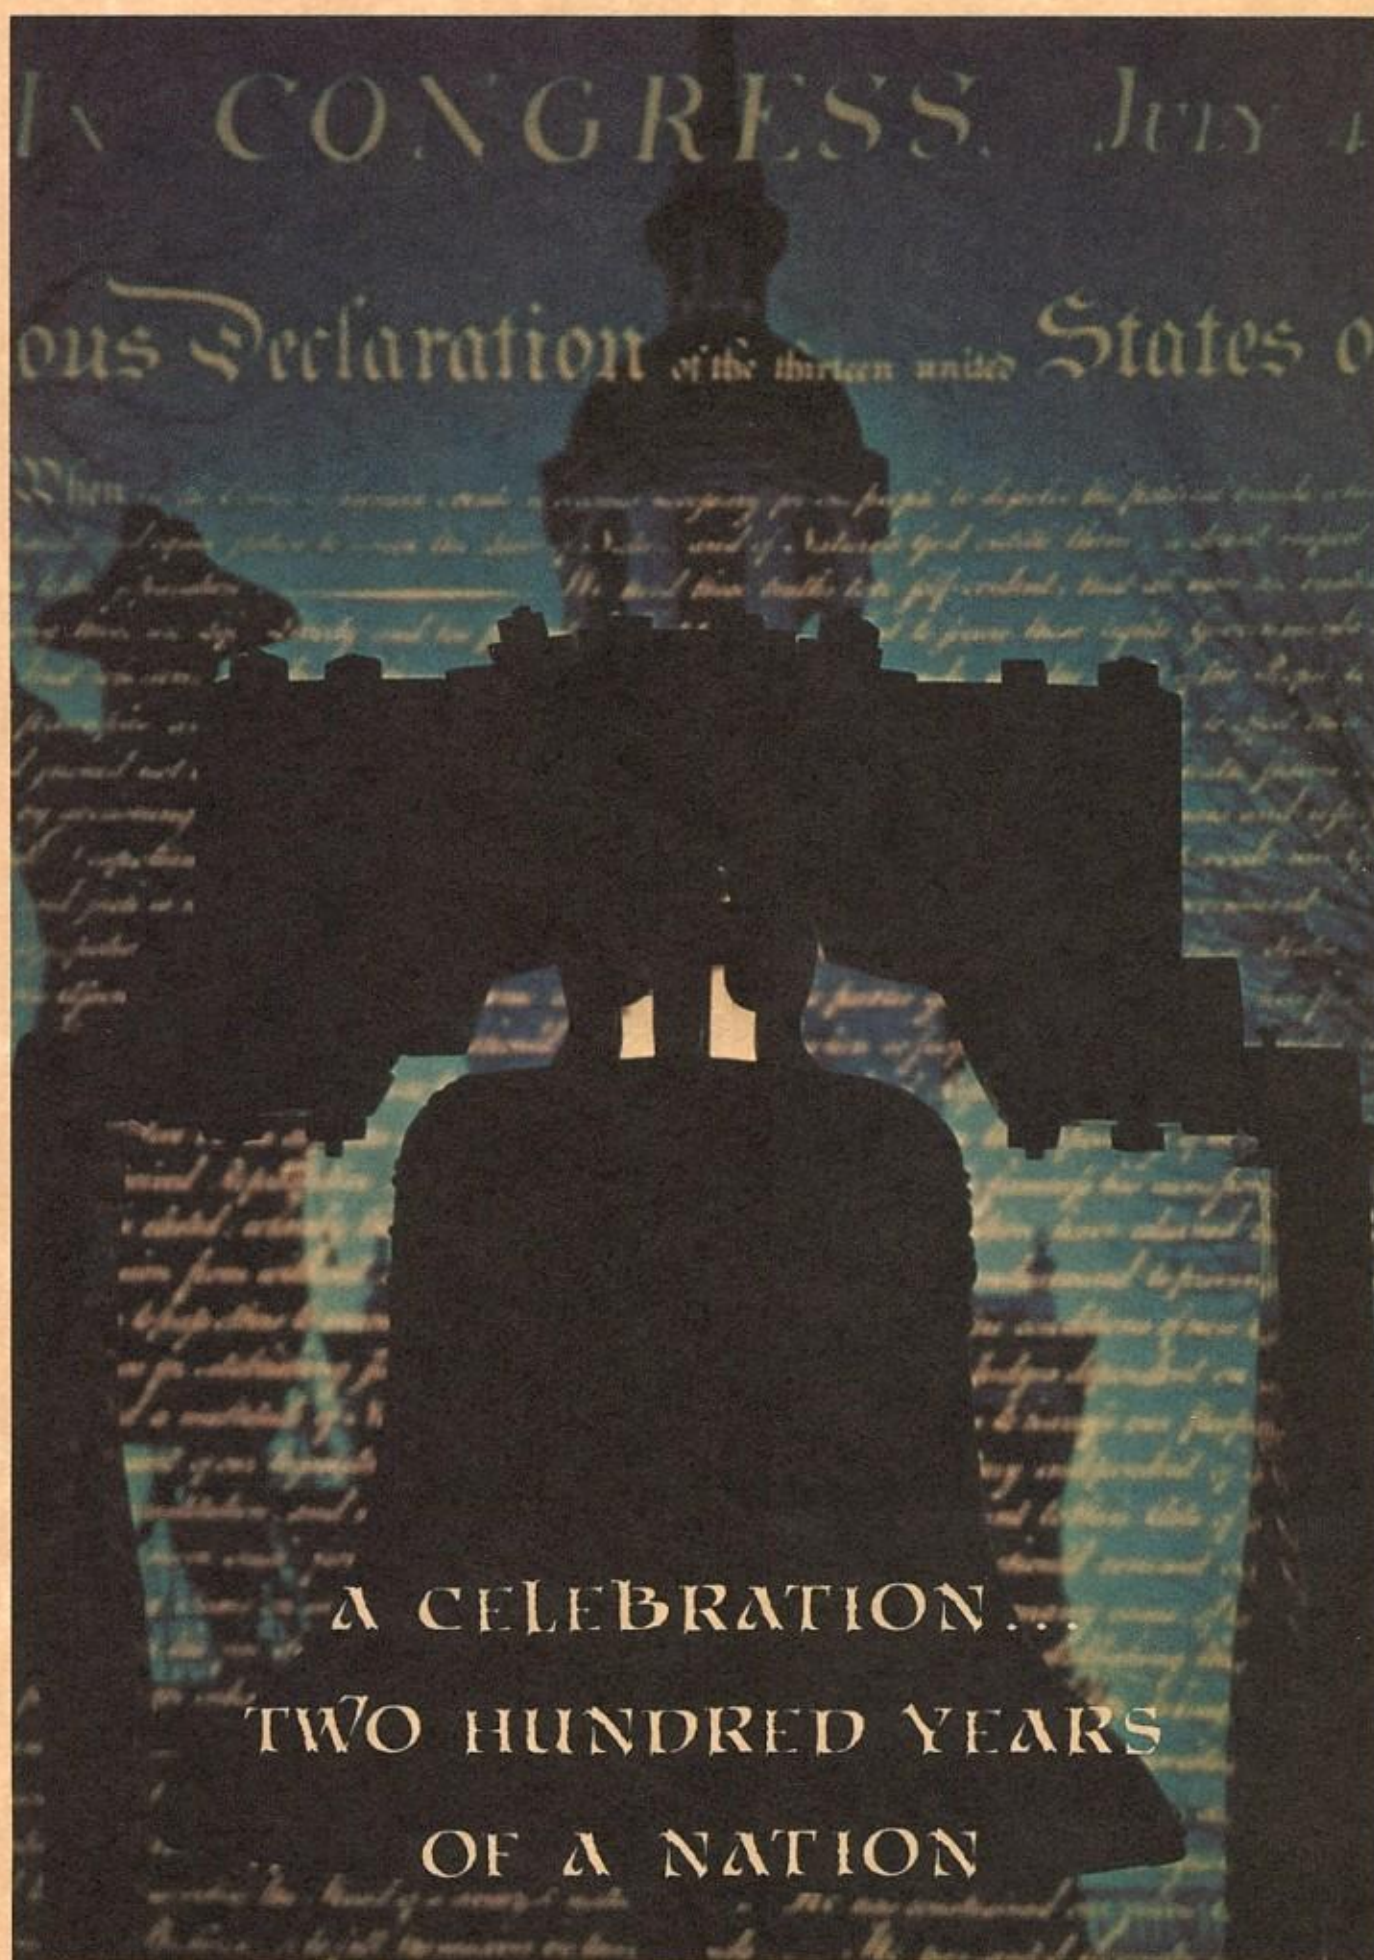

This year at Brookfield East several Spanish speaking students have been able to further their language interests outside of the traditional classroom learning. The group to the immediate right will be saying, "Vamos a Mexico!" on June 21, 1976. They will spend eight days in the Central American country sightseeing and learning more about the Mexican culture. Some interesting areas toured will be the National Palace, The Basilica of Our Lady of Guadalupe, the cliffs of Acapulco, and the Aztec Pyramids of the Sun and Moon. The group of students below competed in a Spanish pronunciation contest on February 6, 1976, at the Waukesha regional held at Waukesha South High School. Going on to the state competition in April were Mike Brophy (first at regionals in first year competition), Bridget Maye (second place in second year), Bill Langdon (first at regionals in third year competition), and Kevin Enge (second place in fourth year). Congratulations one and all!

IN CONGRESS, JULY 4,
1776
The unanimous Declaration of the thirteen united States of
America
When in the Course of these events a small number of unprincipled men
have taken the liberty to abuse the confidence of the people, and
have endeavored to bring upon the State a civil war, the Congress
of the United States, in order to prevent such a calamity, and
to preserve the peace and harmony of the Union, have resolved
that the following Declaration be published to the people of the
United States, and to the world, that they may be fully informed
of the reasons and motives which have induced the Congress
to take the above-stated measures, and that they may be enabled
to judge of the propriety and wisdom of the same.

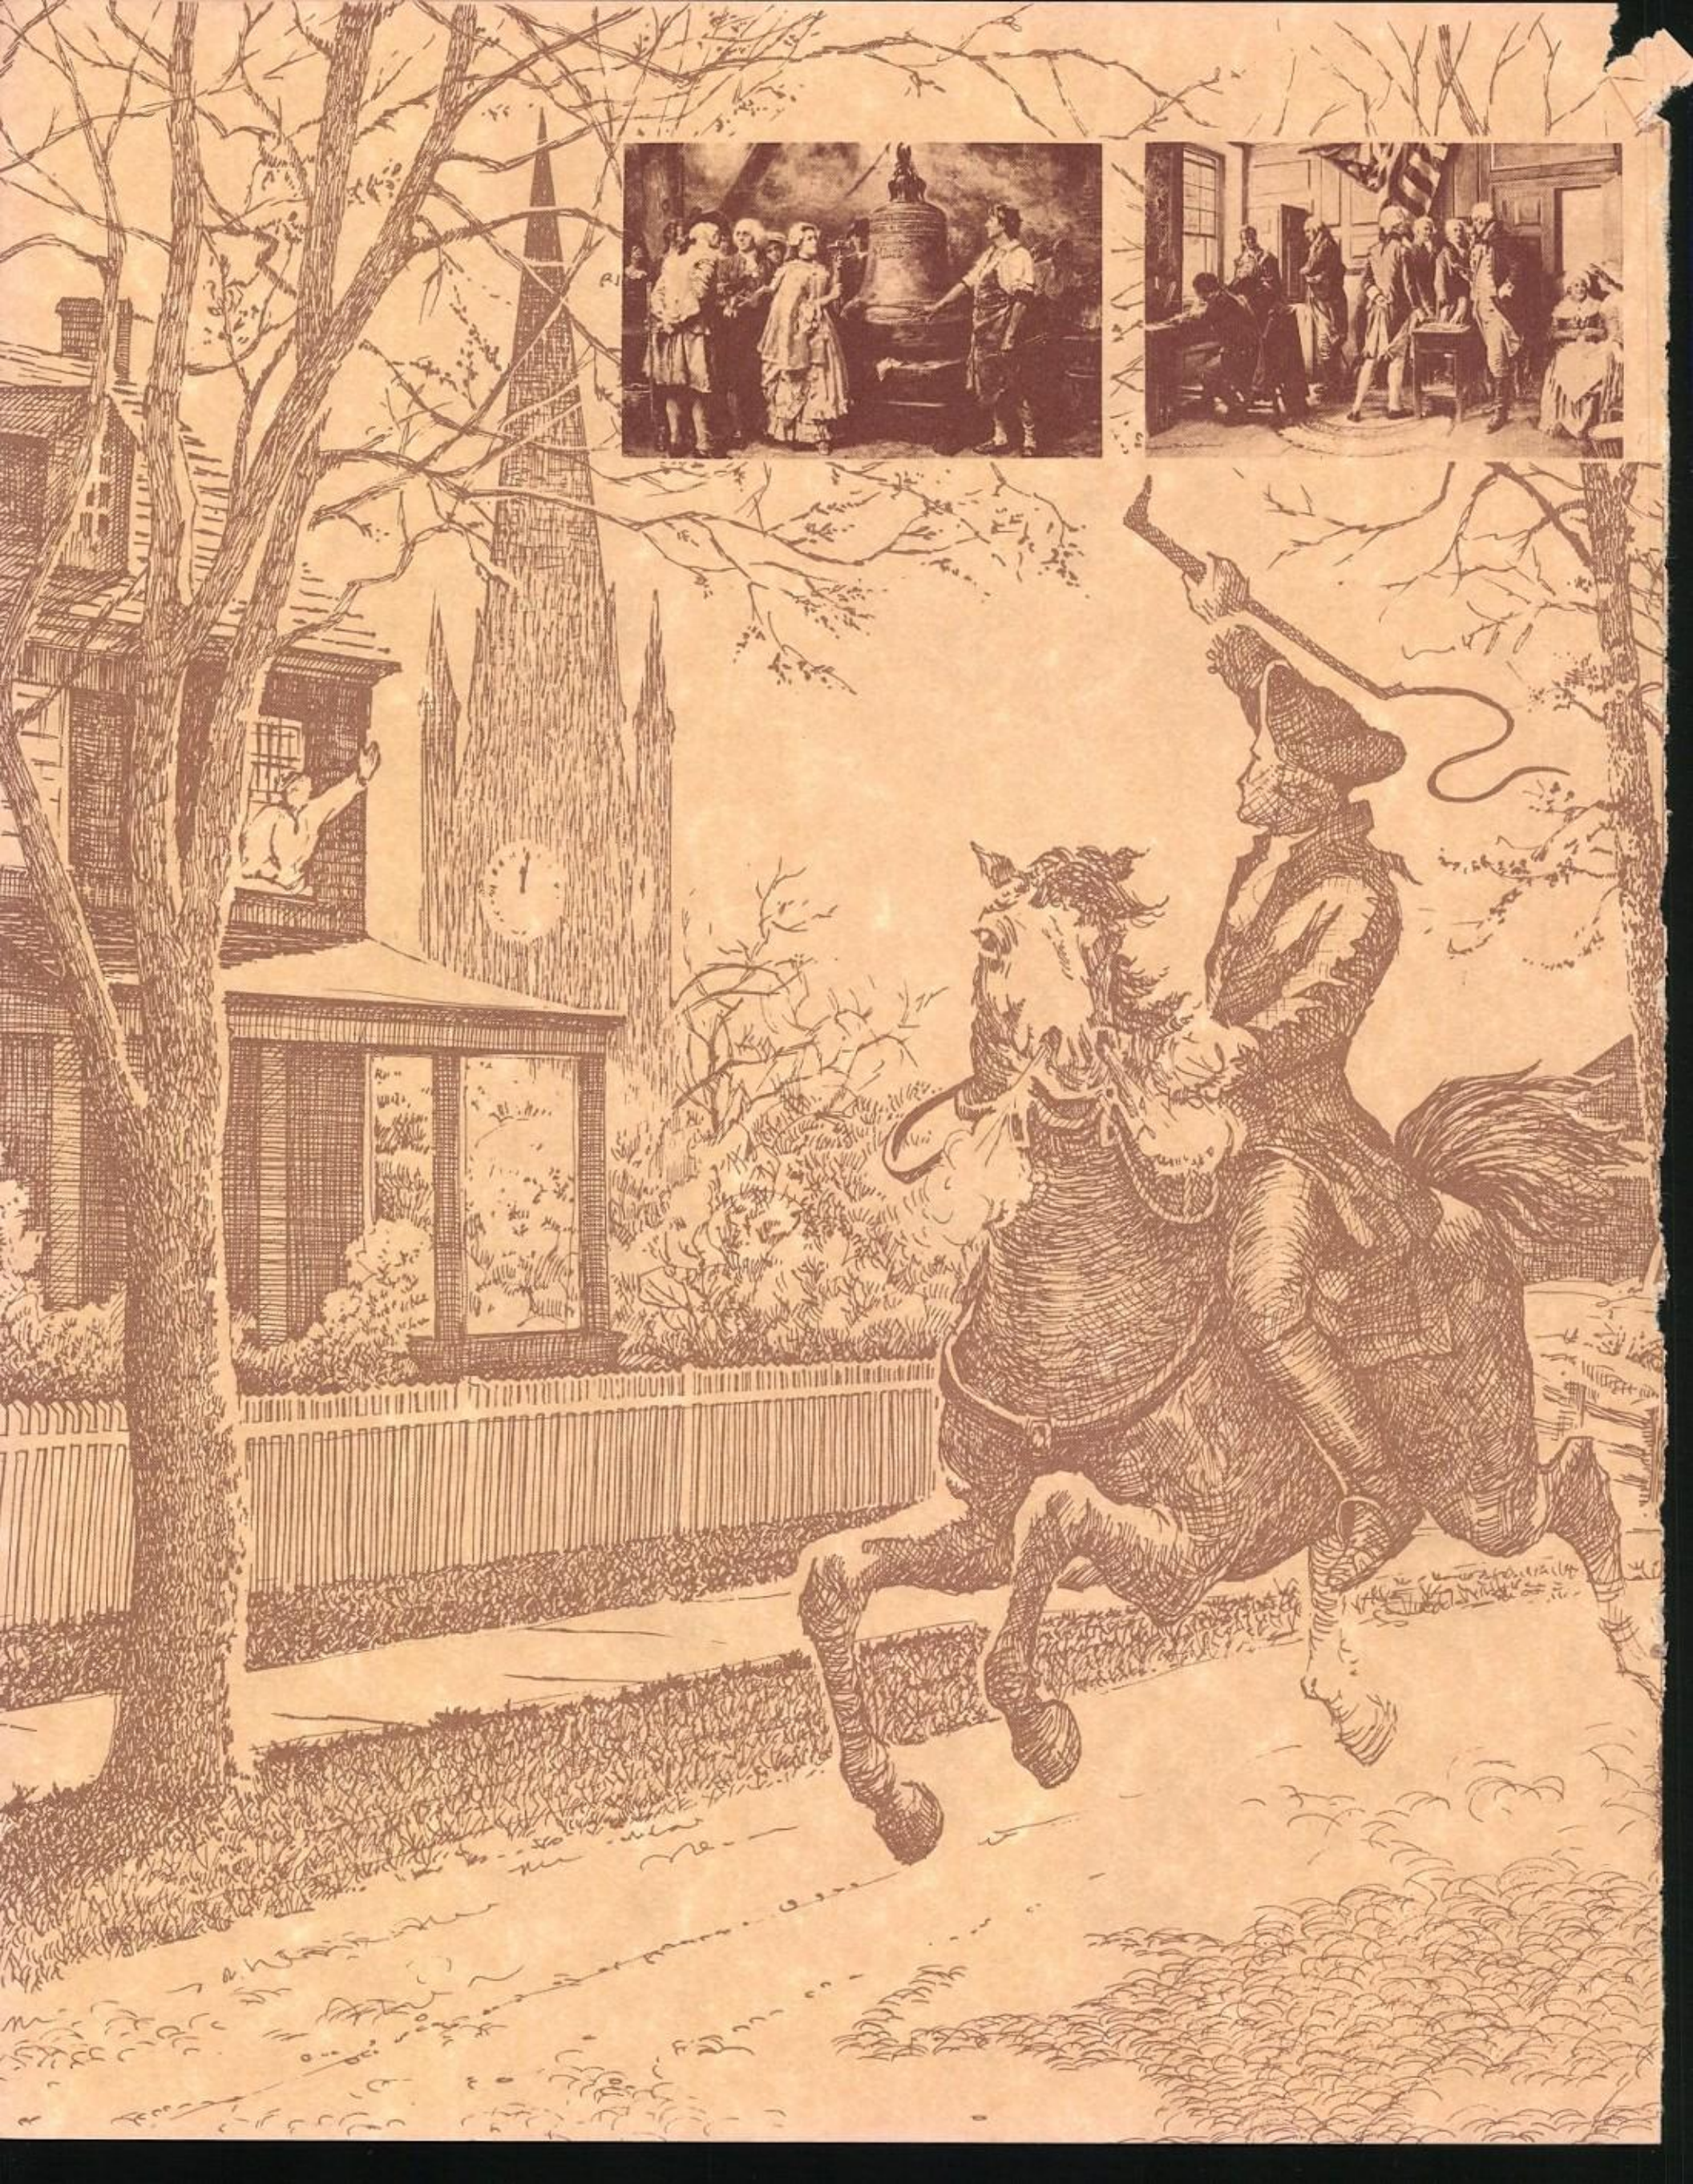

A CELEBRATION...
TWO HUNDRED YEARS
OF A NATION

The idea of the original thirteen colonies and their leaders was born out of a passion to be free—to chart their own destiny of building a country out of this thin fabric called Freedom.

The break from England was not to come easily, as this fledgling was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.

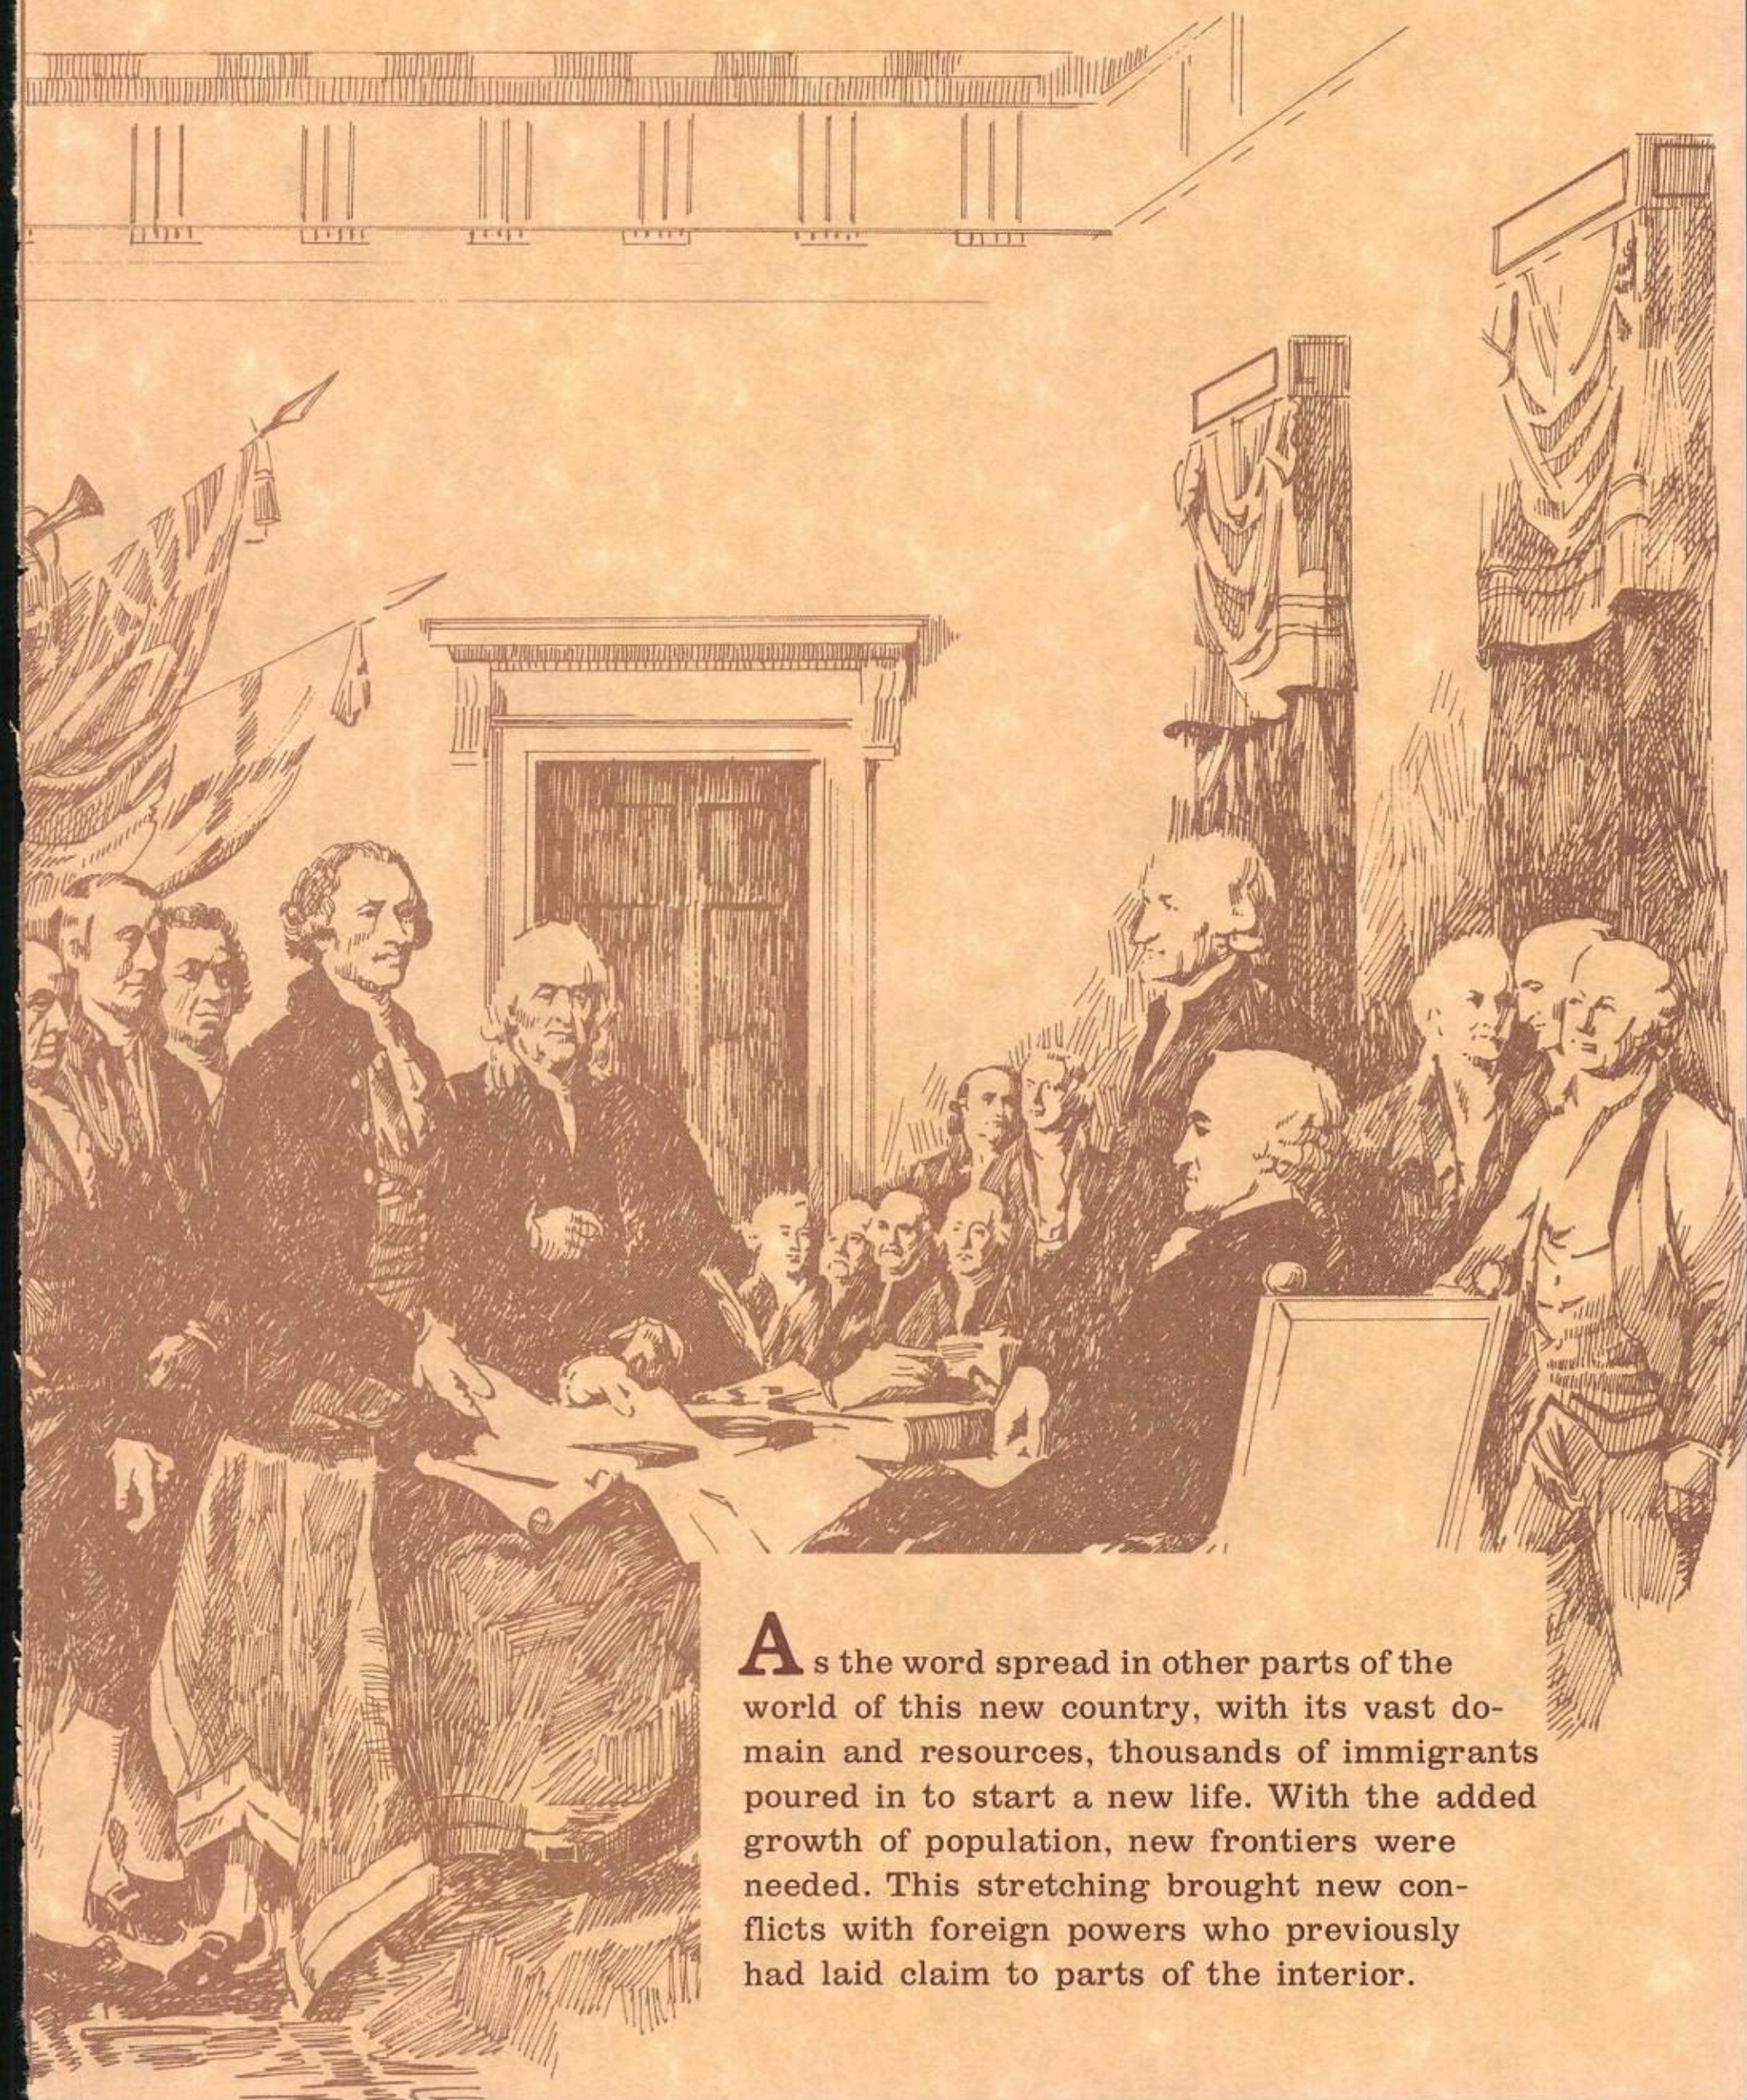

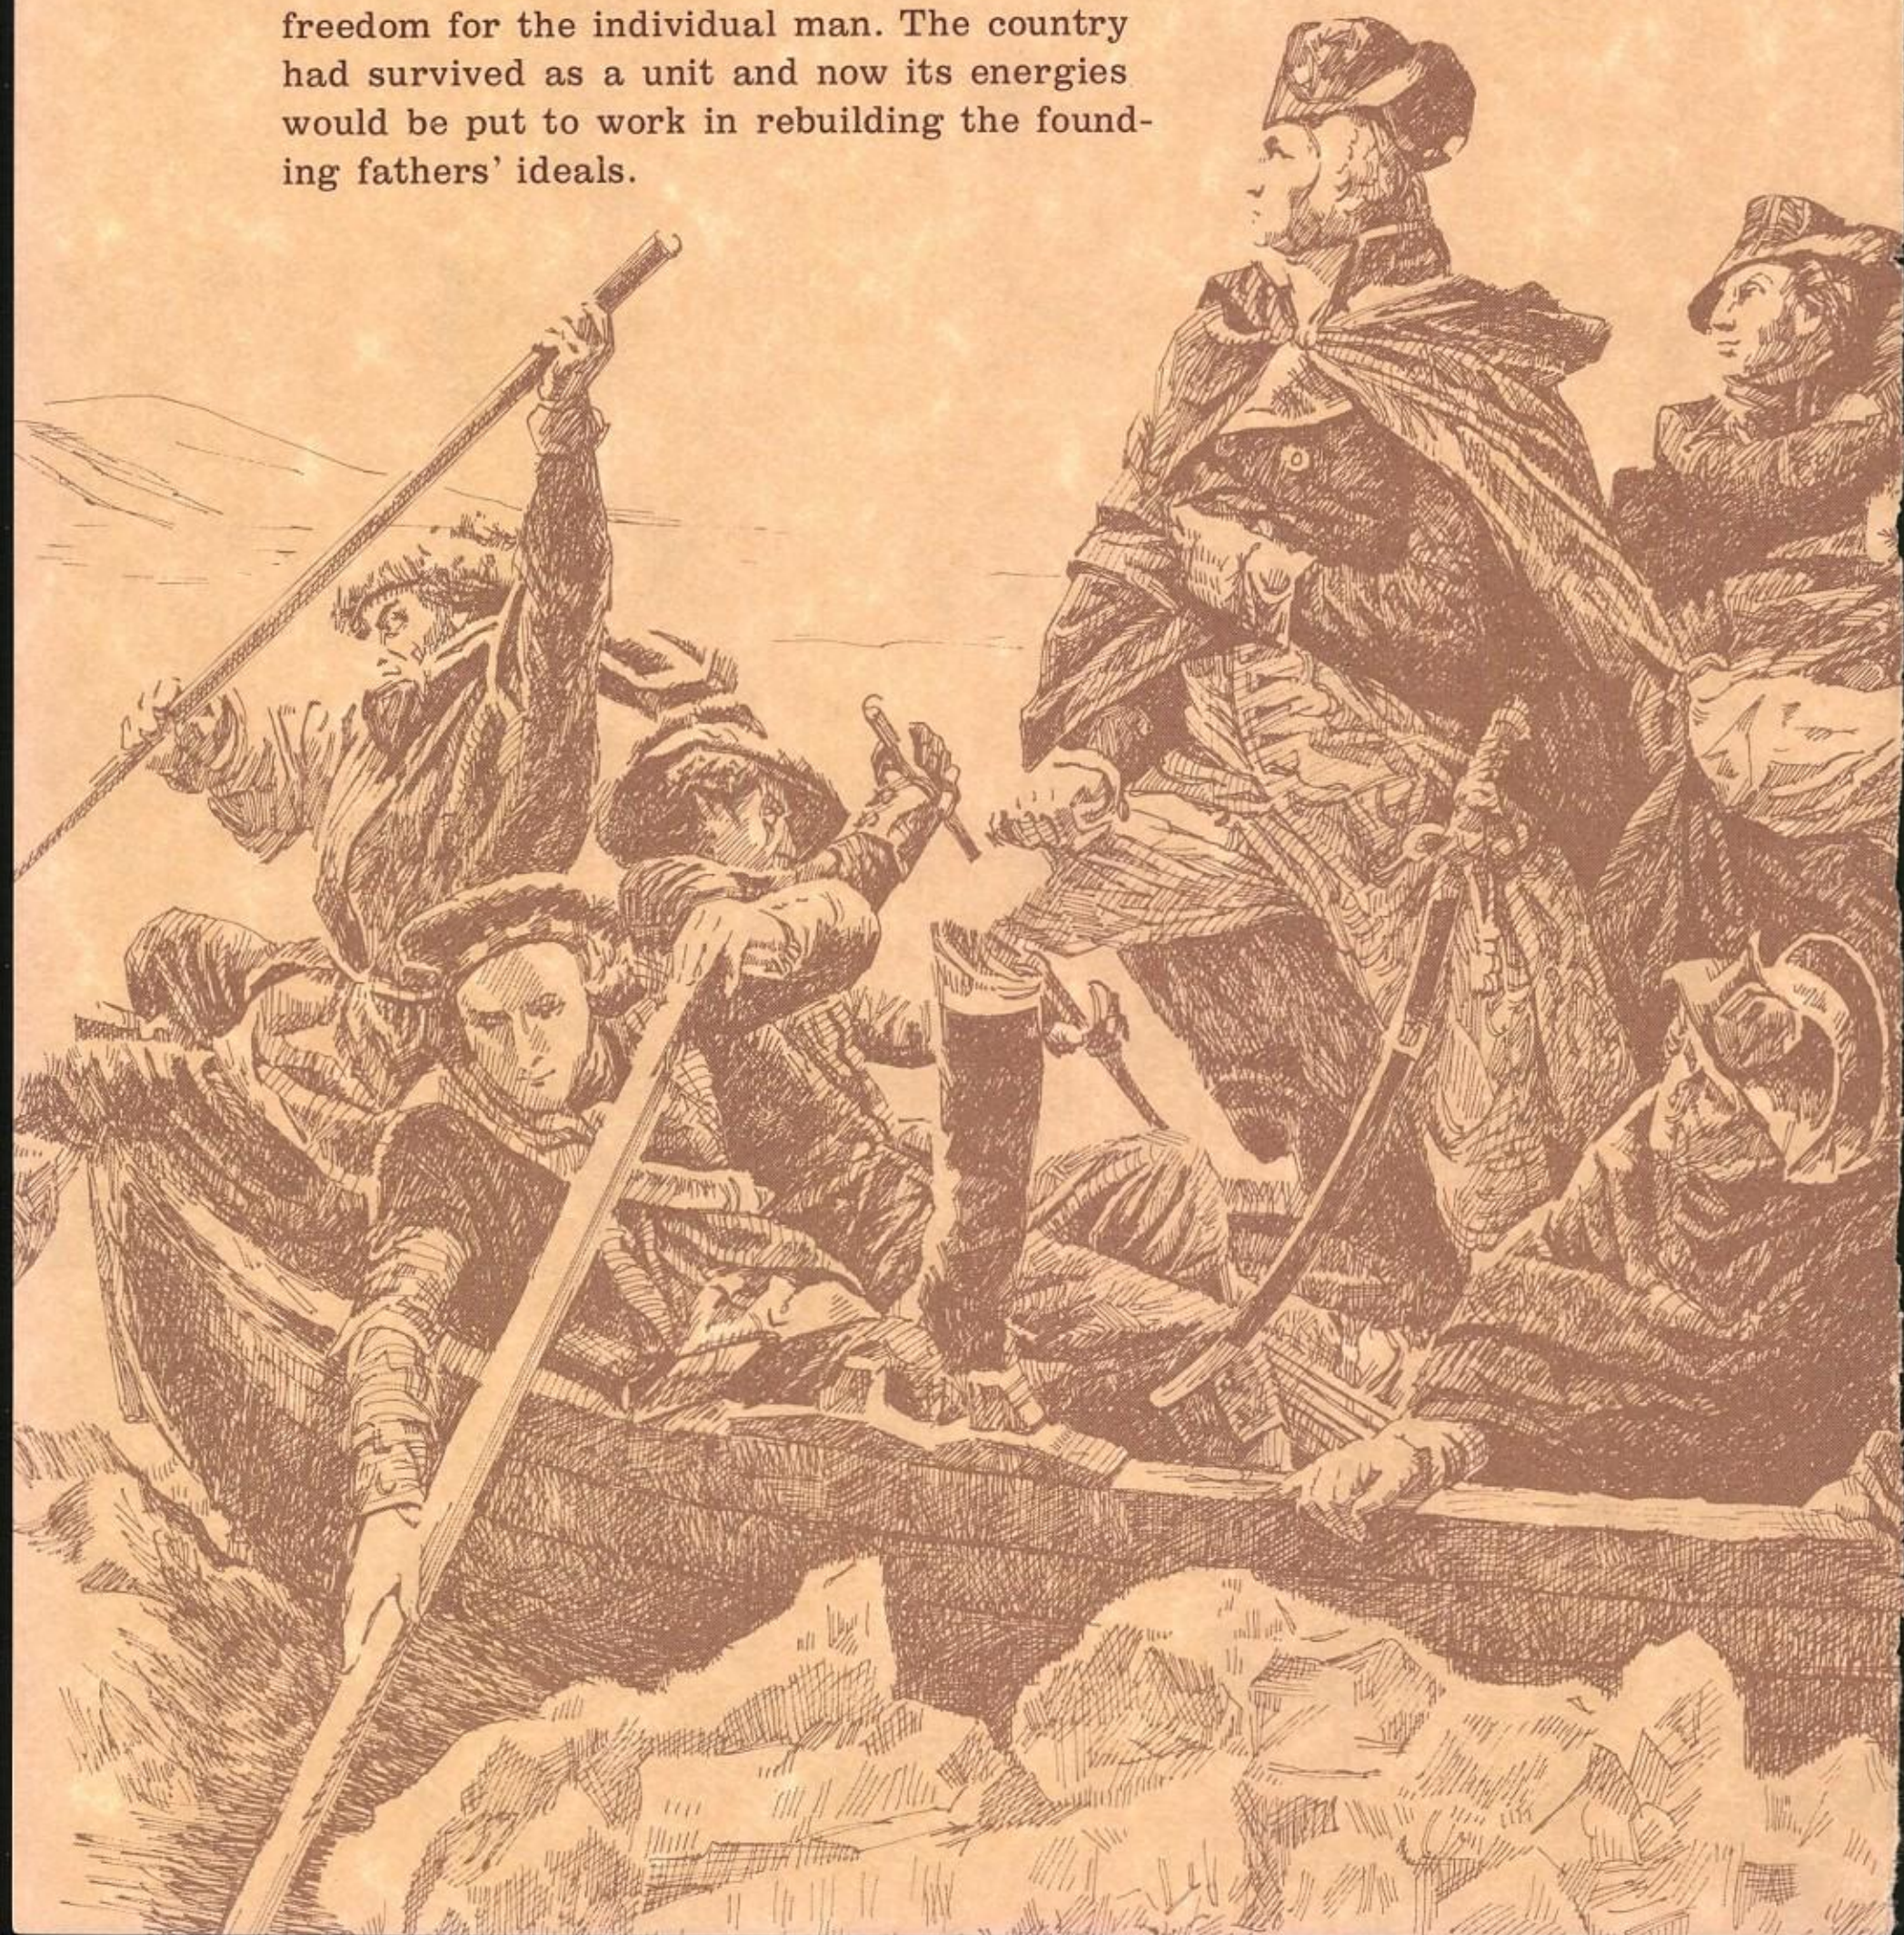

Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.

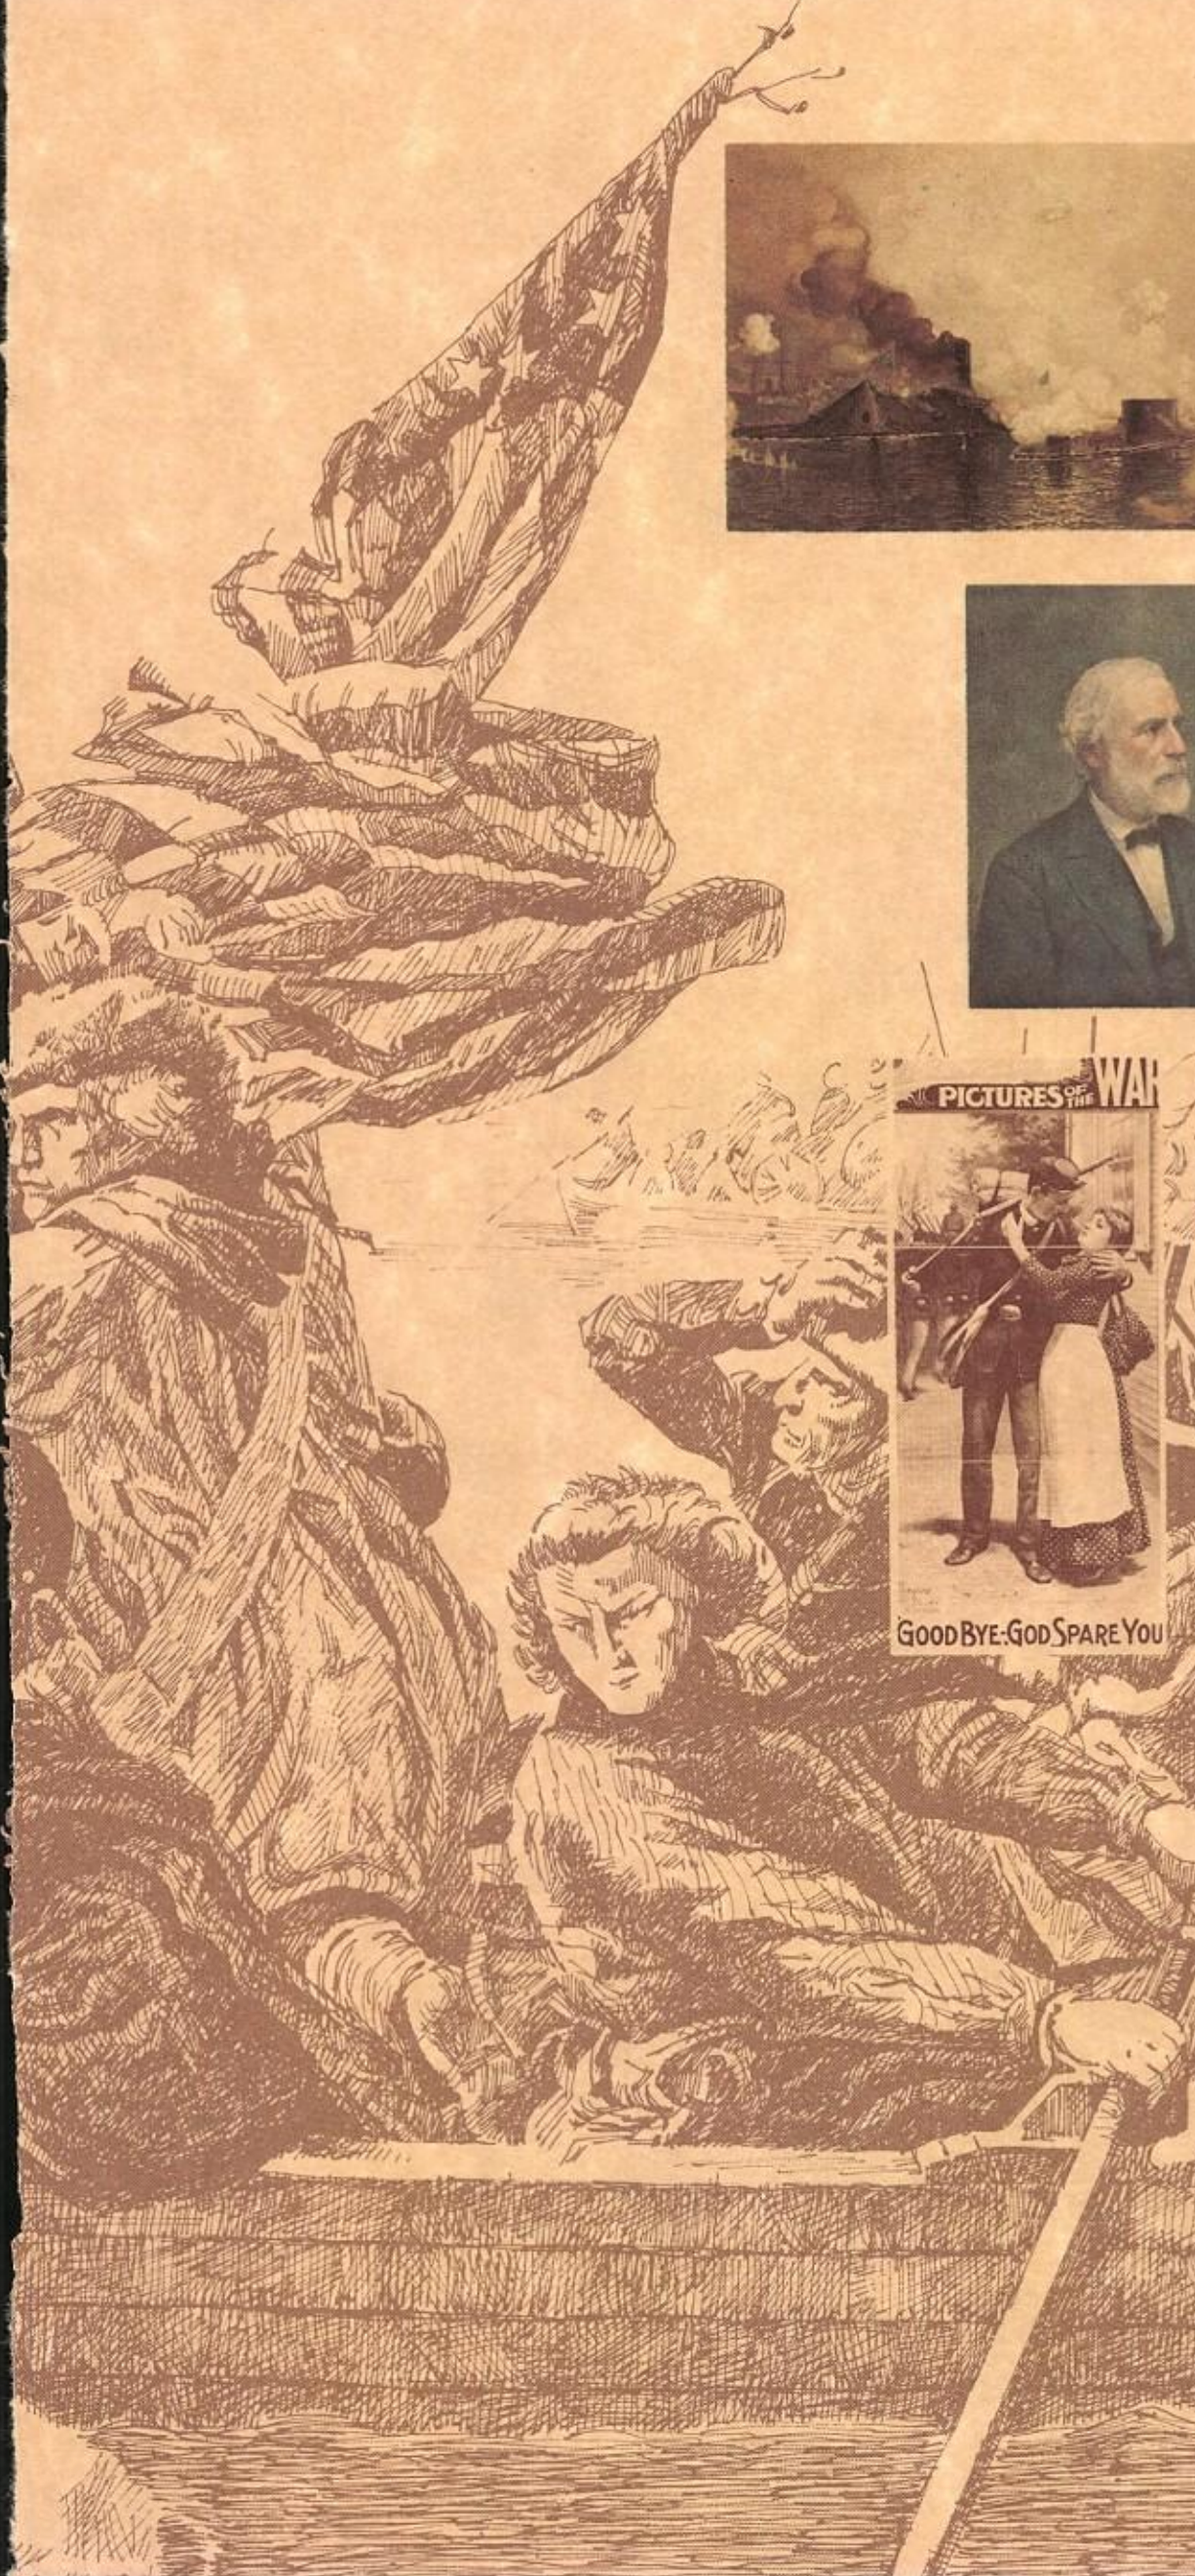

As the word spread in other parts of the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

As the gangling country continued to grow, internal disagreement erupted into a battle of economic and philosophical differences. The battle was to leave scars which would heal only after generations had passed. Out of the wounds came a stronger fiber of freedom for the individual man. The country had survived as a unit and now its energies would be put to work in rebuilding the founding fathers' ideals.

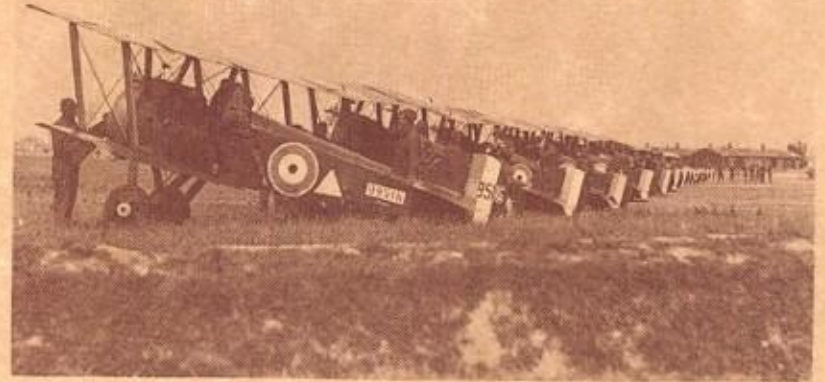

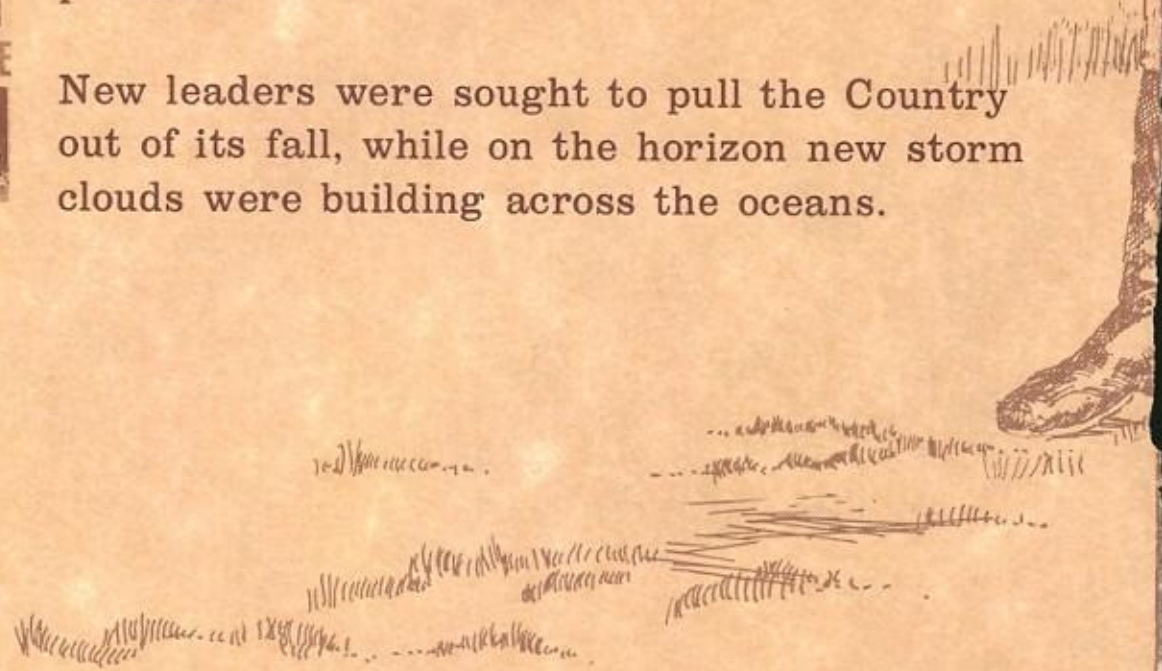

The need for new frontiers continued as movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.

As one of the leading industrial nations, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

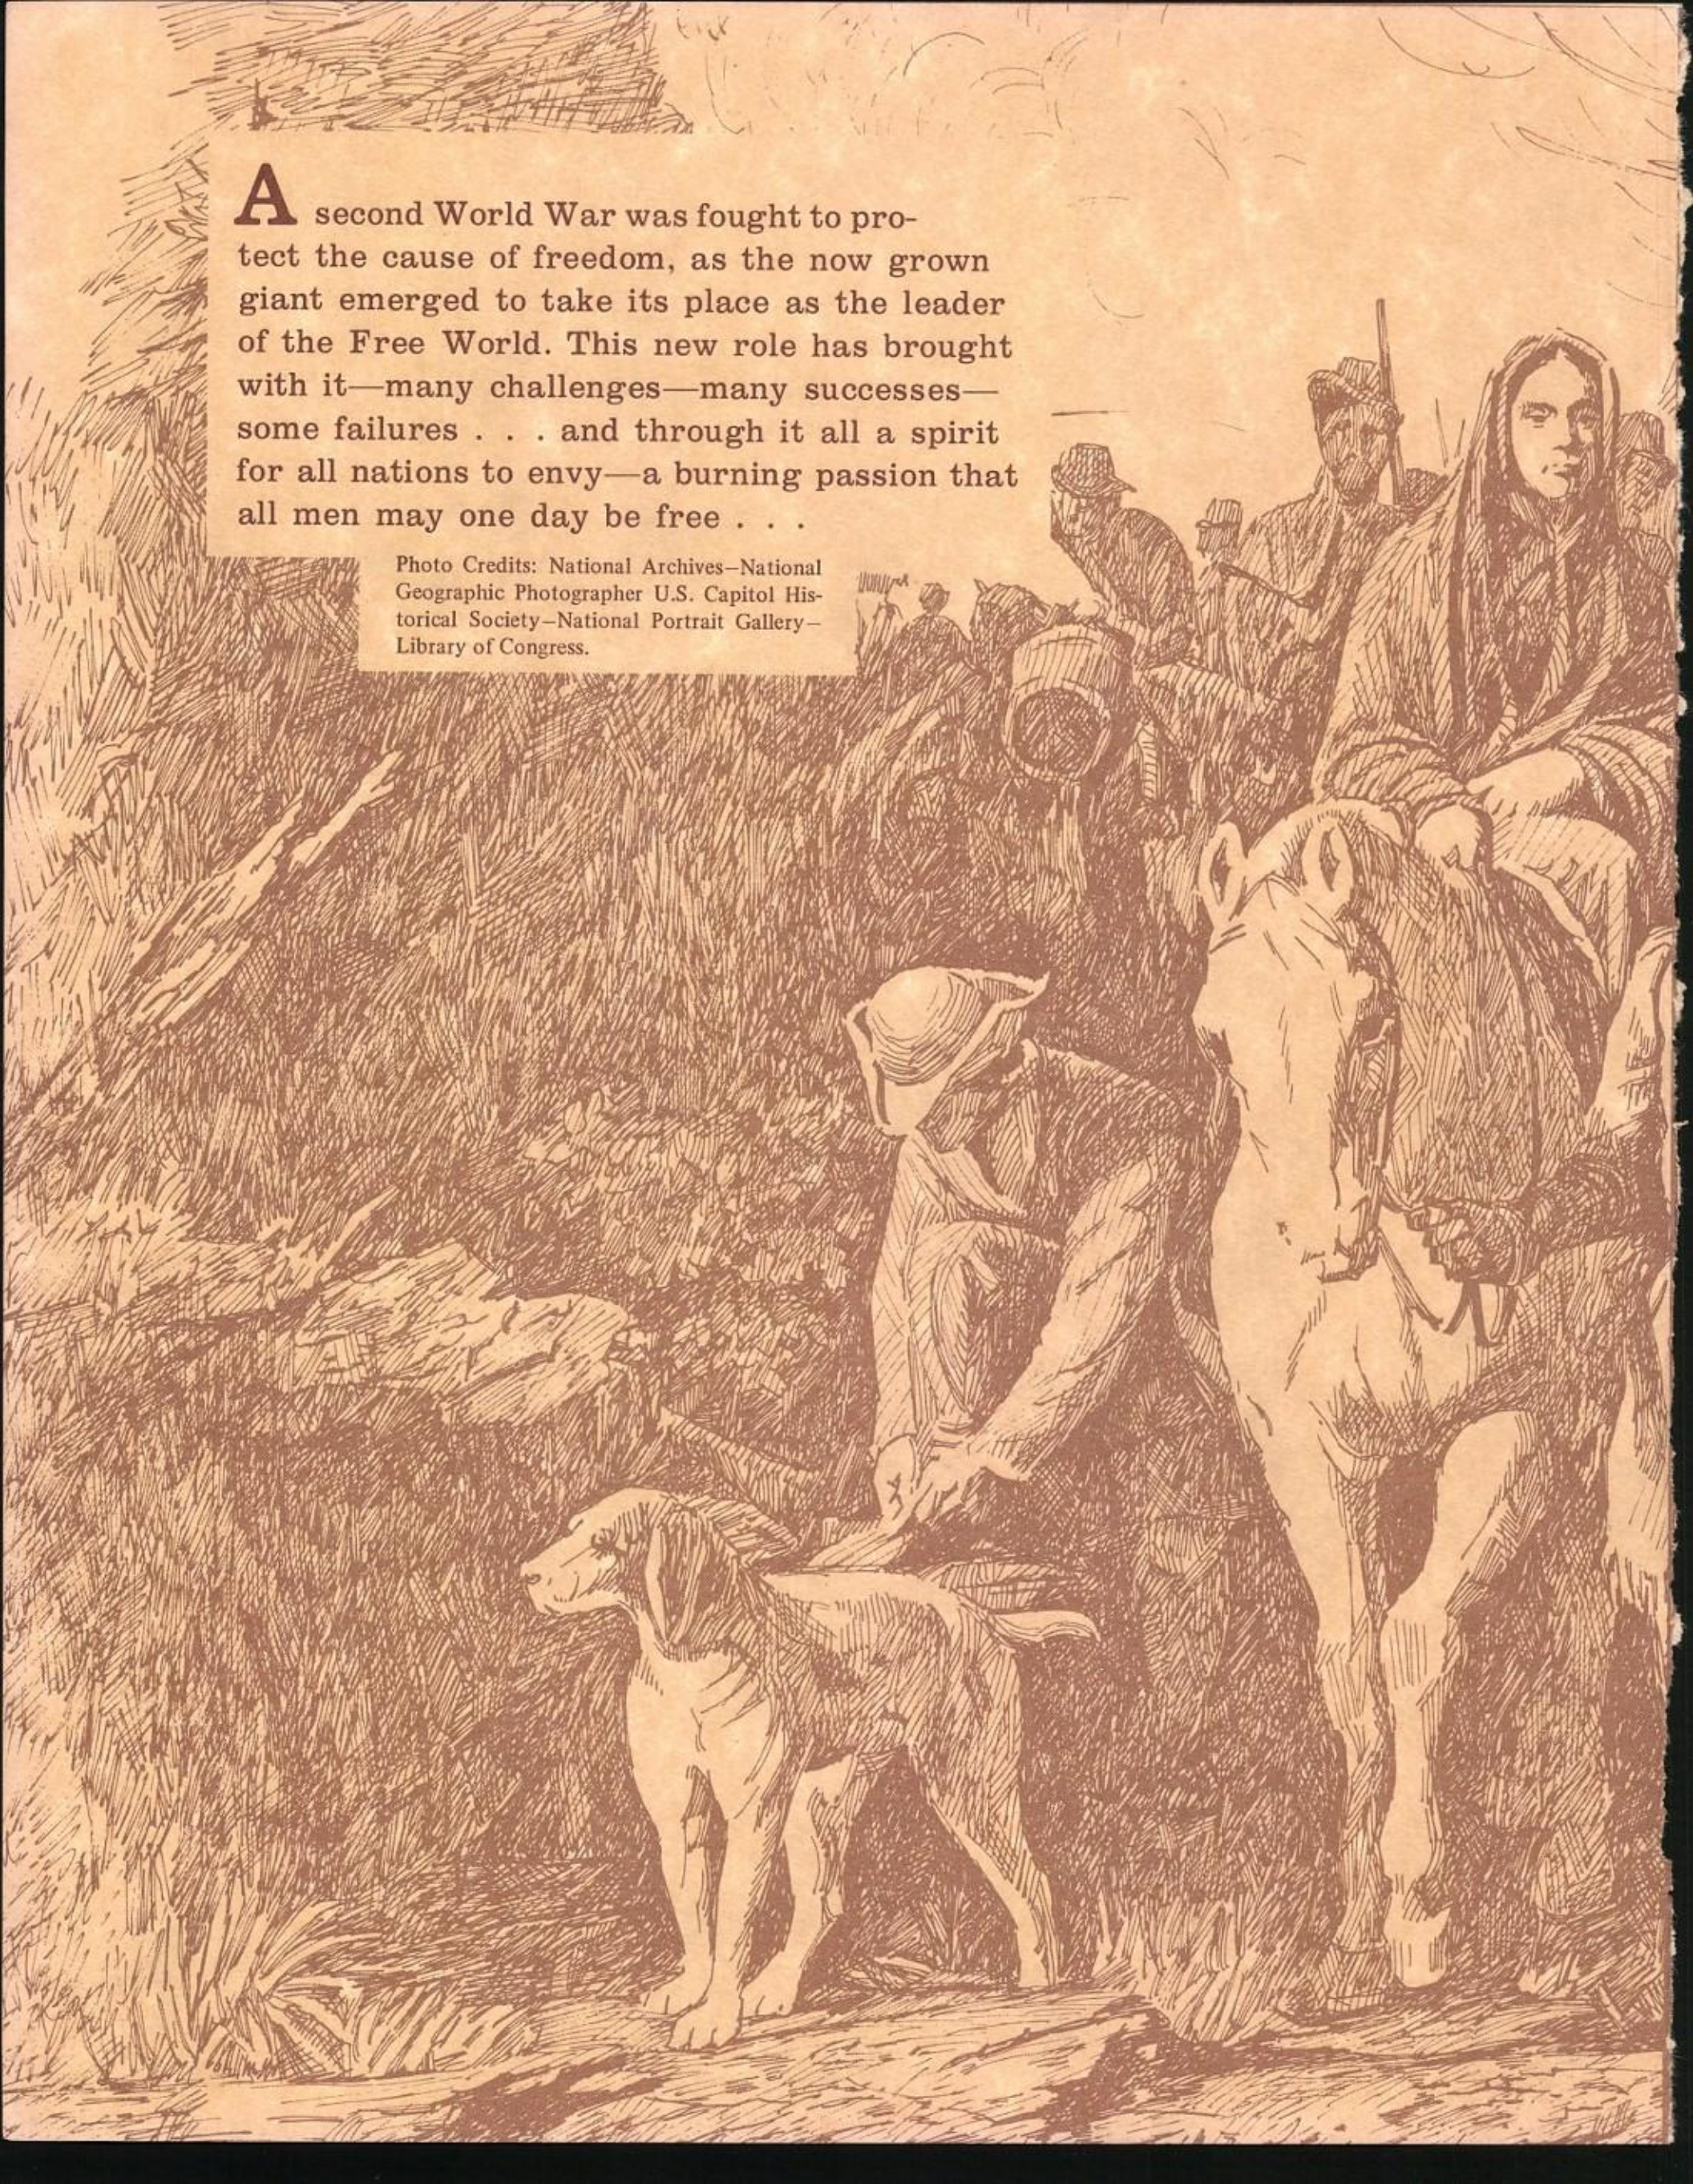

New leaders were sought to pull the Country out of its fall, while on the horizon new storm clouds were building across the oceans.

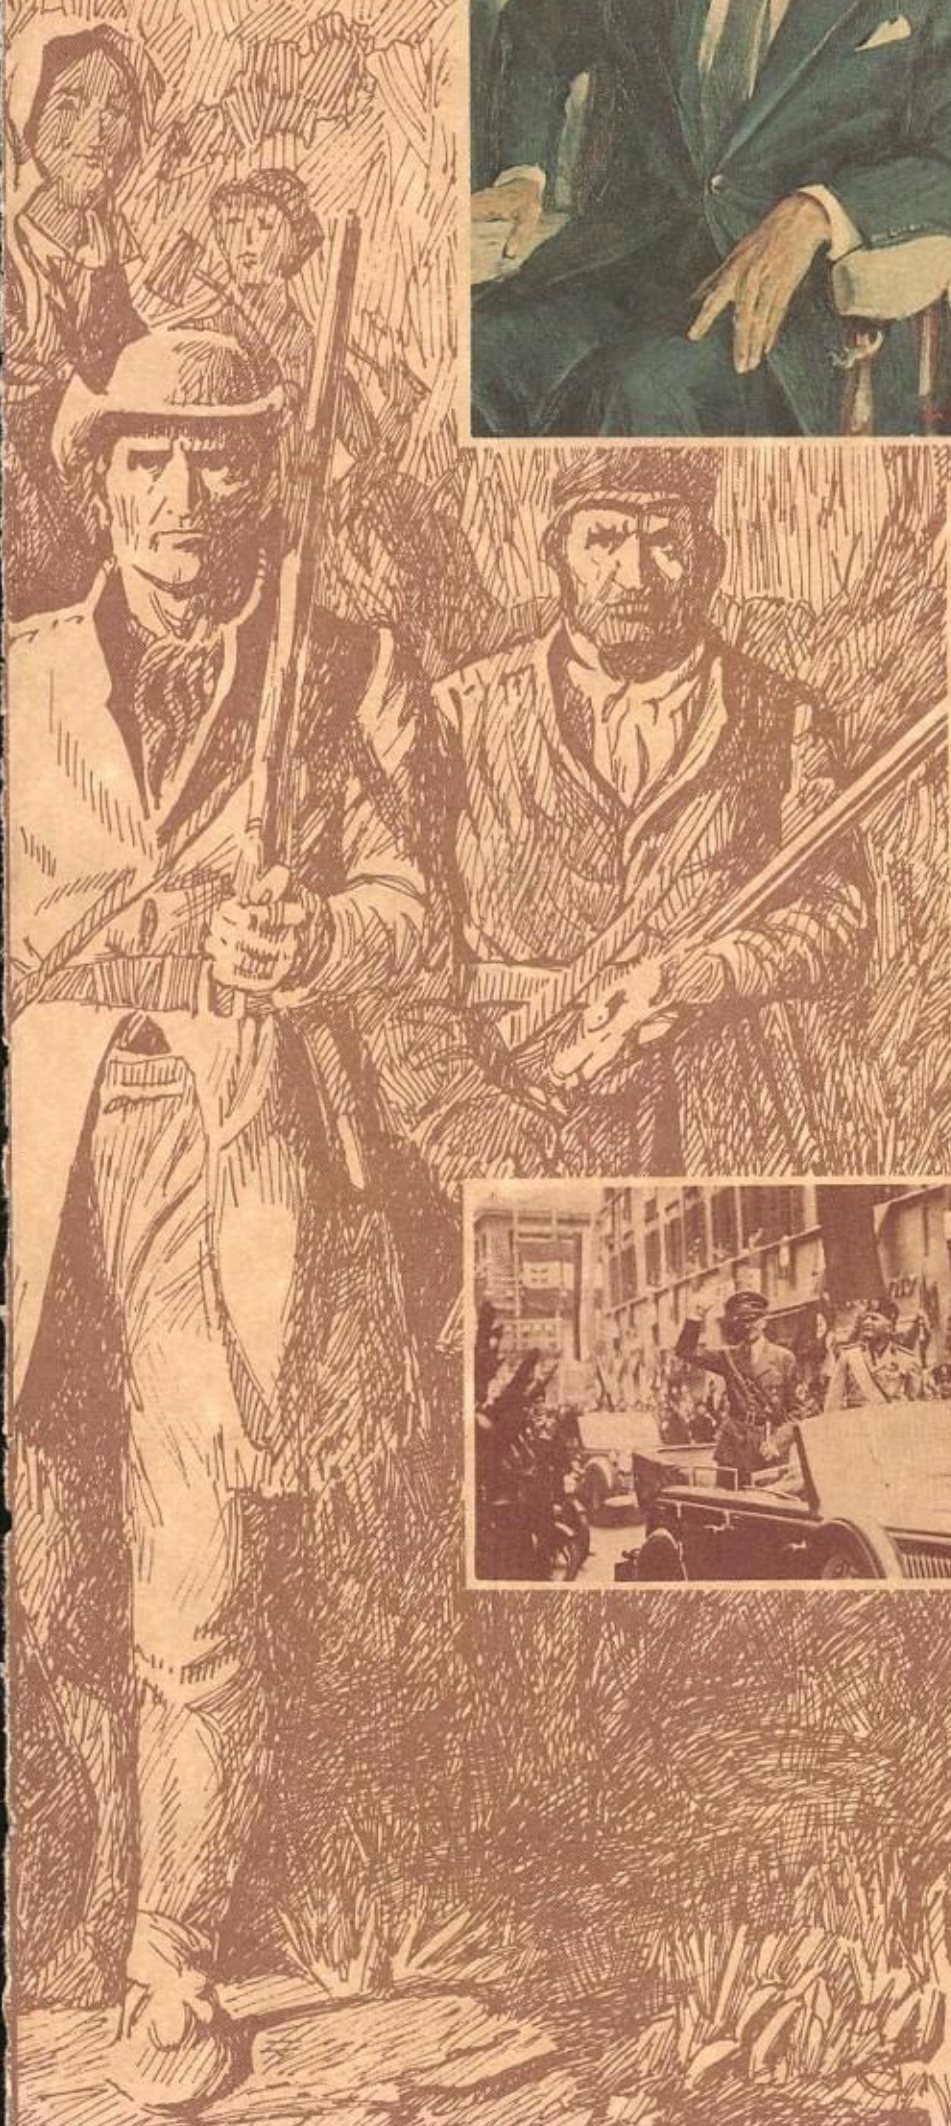

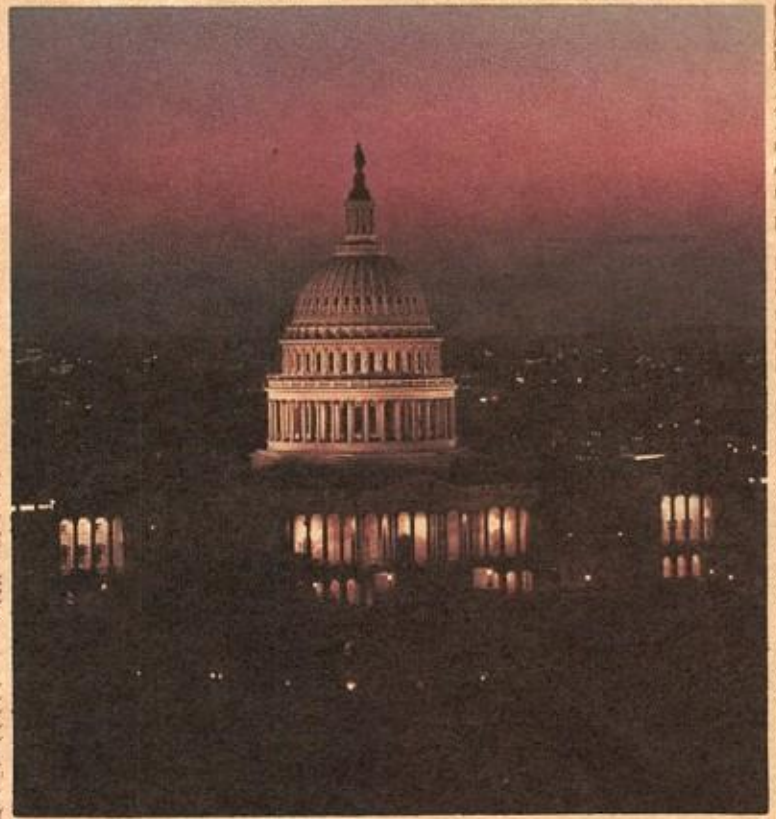

A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .

MORNING HAS BROKEN

Junior Prom on May 17, 1975 was a night to remember. Outside the stars shone clearly in the sky. Inside, the gym had its own stars and moon. As the theme song, "Morning Has Broken", was played, a sun rose, shining down on the garden-like setting. The scene was completed by a fountain in the center, and a nearby gazebo. These special touches created the atmosphere necessary to have a good time.

IT'S TIME FOR A TURNABOUT

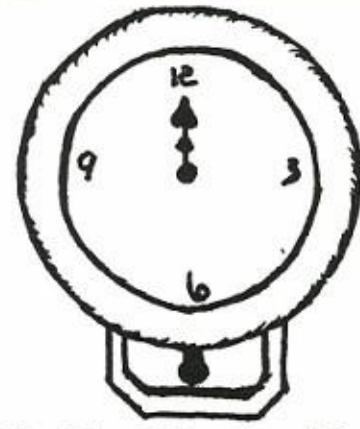

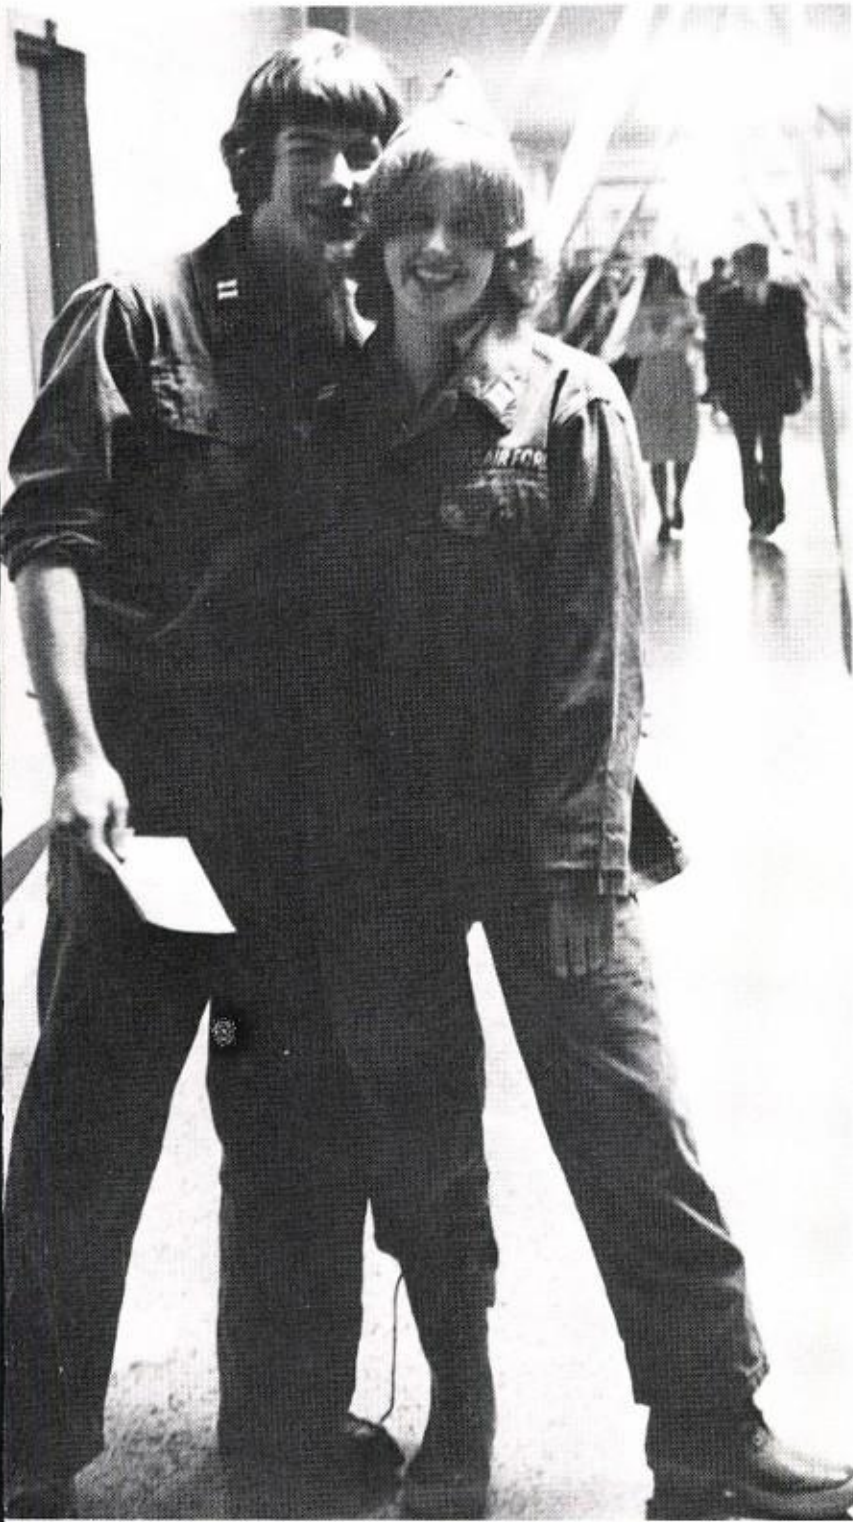

Cavemen, martians, southern belles, gangsters, and dinosaurs were among those who gathered Dec. 6 to dance to the music of "Daybreak". In reality, these characters were students from Brookfield East High School celebrating St. Nicholas Day with song and dance. Time, the theme of this social event allowed girls and their dates to represent couples from all eras of the world's history. Judging from many smiling faces and spirited interpretations of the polka, bump, and hustle 1975's turnabout was an experience worth remembering.

ECHO

Being on the Echo staff: a lot of work, yet a lot of fun — when you come right down to it. The friends gained and the experience earned become a valuable asset the rest of the student's life along with the pride of seeing your work in a printed, hard cover book made to last the wear of time. The yearbook clearly represents Brookfield East High School, its students and teachers, and what they did to make September of 1975 to June of 1976 a memorable year for everyone.

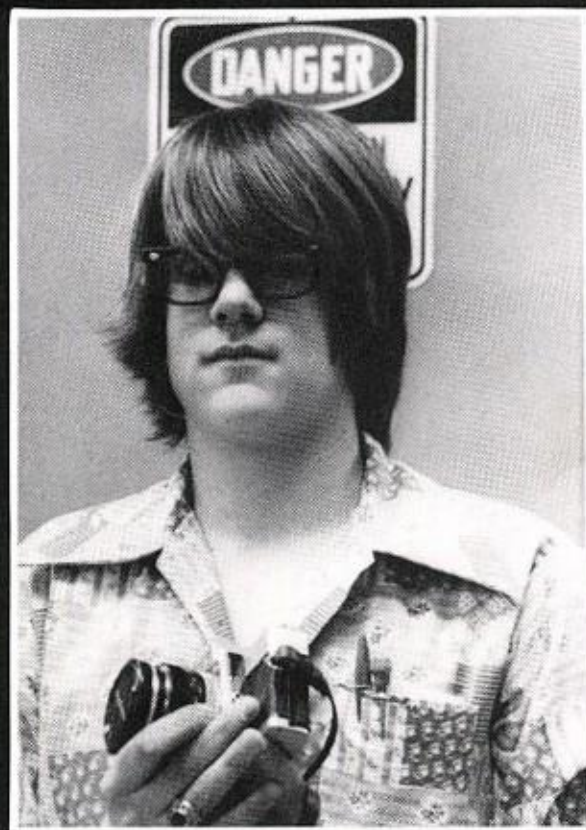

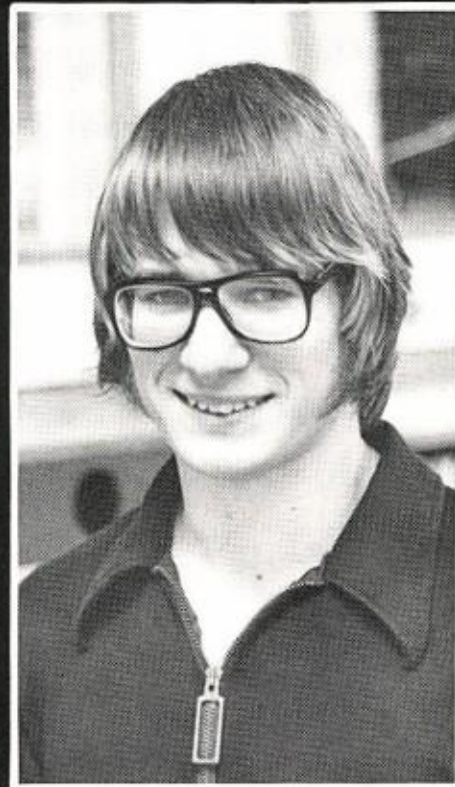

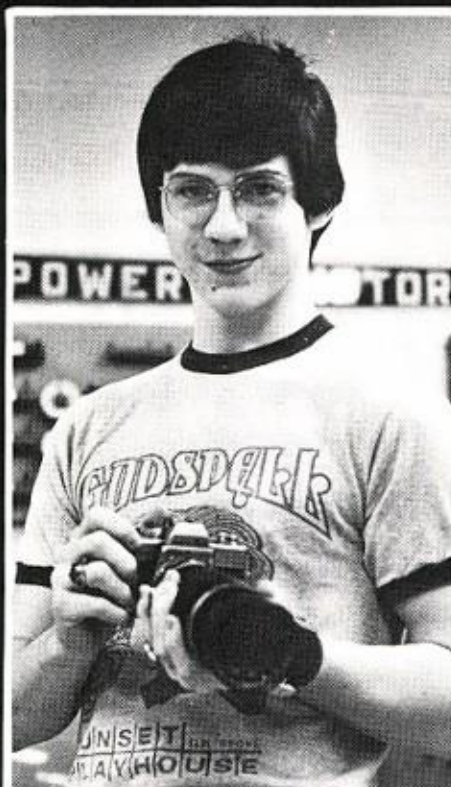

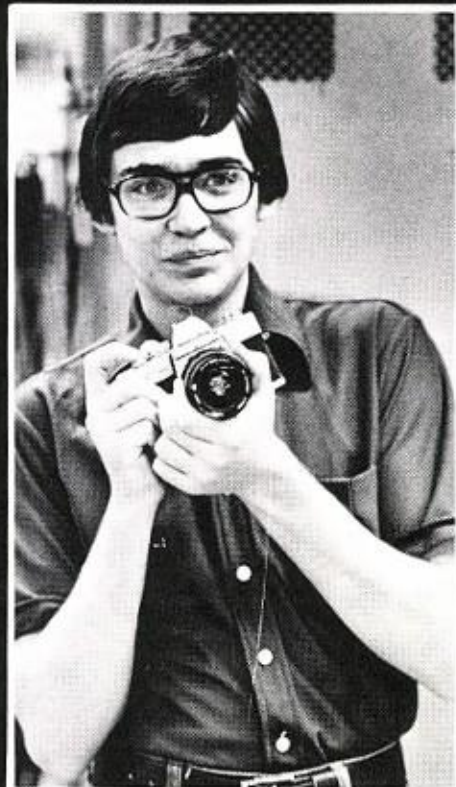

PHOTOGRAPHER-OF-THE-YEAR JIM MUELLER

PHOTO CLUB

The Photographer-of-the-year award is given to that photographer who, for an entire school year, devotes his (or her) maximum efforts to produce quality pictures for Brookfield East High School. Coupled with this, it is also expected the award winner will demonstrate a high responsibility for their academic assignments and exhibit a good attitude toward their peer group. It should be sufficient to say Jim Mueller ('76) is the only photographer in the history of our school to win this award two years in a row. All of his picture work for two years has been of professional quality and Jim's attitude and dedication to service impeccable. Thanks, Jim, for two years of great photos—BEHS will miss you sorely.

"To be or not to be?" has never been the question for Brookfield East's Drama department. The more likely question has been, "To be what?" in the choice of plays. This year, three fine plays were produced. The first was an entertaining and popular musical, "Fiddler on the Roof". For competition, "Where Have All The Lightning Bugs Gone?" was put on, and the last play of the year was Arthur Miller's controversial drama, "The Crucible", concerning the witch hunts in Salem of the 1700's, an appropriate choice for our country's 200th birthday.

BAND

Adagio

"Say it with MUSIC!" has been the motto for the band people at East for quite a long time. Each year the Marching Band, Concert Band, Wind Ensemble, and Stage Band try to do just that—express their thoughts and what they feel in the music they play. This year band members have been able to do this quite successfully, due to the large number of concerts presented.

Each year the band program begins in the late fall as Concert Band members prepare to take the field as the Spartan Marching Band. When football season is finished, Concert Band members begin to prepare an early February concert, this year titled "A Program of American Music" which included some Big Bands tunes performed by the Stage Band.

As March became a reality so did the Solo-Ensemble Contest, held for members of all three bands, this year at Falls East. All of the Spartan musicians did quite well, and several of East's students went on to the state contest.

The school year started very differently for the Wind Ensemble. In early November they were asked to play a stand-up concert at city hall for the raising of the Bicentennial Flag. Later in November this band, with the help of the stage band, presented a traditional concert. When February came upon them, it found Wind Ensemble members preparing for its Student Soloist Concert. In early April, the fifth hour band sponsored a Bicentennial Concert with guest Soloist Judith Erickson, a mezzo-soprano.

At the very end of the school year, in late May, two guest soloists, an oboe player and a bassoon player, appeared at the annual Spring Concert, the last program of the year. But fear not, devoted musicians—when school opens next fall you will once again be able to "Say it with MUSIC!"

Democracy for the students is the goal of Student Association. That is what students of Brookfield East clamor for, making absurd statements such as, "This school is a jail." To achieve these goals of democracy, student representatives are allowed to express their opinions in front of the School Board, members of the faculty, and the administration. Thus, students are represented on all issues, learning about democracy during their transitional years.

Besides striving for this noble ideology, Student Association members participated in many activities, including parents' day for football, Homecoming, cleaning up the school, the Spartan—Lancer Scholarship activities, and others.

THE SPARTAN BANNER: A LOOK AT THE WORLD AROUND YOU

Planning sessions, reporter assignments, photographs, copy editing, advertisements, and page layouts all are necessary ingredients in creating an edition of the THE SPARTAN BANNER. Topics ranging from sports to rock concerts are covered in every publication. Through the hard work of photographers, writers, and editors THE SPARTAN BANNER tries to produce a publication that has something for everyone.

CHARM AND MODELING

In our own fashion club, Charm & Modeling, members are given a chance to model as well as learn about grooming and how to develop self-confidence. This is done through guest speakers and two fashion shows. One worthy club member is given a scholarship to John Robert Powers Modeling School.

AMERICAN FIELD SERVICE

Fritz Mielke

Luke Nealey

Randy Race

Brookfield East is proud to have outstanding students such as Luke Nealey, Randy Race and Fritz Mielke in its ranks. This year Luke traveled to Thailand to gain knowledge of Asian customs and the Thai language. Randy Race journeyed to Austria to continue his studies, while Fritz Mielke went to South Africa. Fritz will return in early 1977 to complete his American high school education.

Would you believe that you could send a boy or girl to the far corners of the world by buying a pizza? Well, maybe not one pizza, but proceeds from the A.F.S. pizza sale do go to sending a Brookfield student overseas. Not only do A.F.S. members raise funds, but they work to make guest A.F.S. students feel welcome as a member of the whole community. This year, Brookfield East hosted Kurt Senn from Austria and Cecilia Hurtado from Ecuador.

Skiing, the most popular participant sport and the largest club in the school, continues to grow. And it should, too. What could be more enjoyable than the swish of snow sliding and slipping away under ski as you breeze down the hill with the fresh alpine air gusting in your face? Thank goodness for those innovative Scandinavians who started the whole thing way back when.

Flags whipping in the wind, the crack of a rifle as it slaps a hand, the swish of a sword as it snaps to a present, feet pounding the earth at a constant rhythm — these are the sounds of East's new marching unit — the colorguard. This new organization, which originated this year, works together with the marching band to present colorful half-times for football games. Congratulations for a well-executed season to these precision-demanding girls!

PSYCHOLOGY CLUB

Exploring the mysterious matters of the mind and applying these investigations to their own activities and lives is basically what Psychology Club members concentrate on. For those students that show outstanding ability and put forth great effort, an organization called National Honor Society, headed by Mrs. Scag has been active here at East. Each year students are nominated by teachers and are then selected as members. The society may be considered a goal for some, to others a privilege. Nevertheless, East is proud to have the membership they do.

How many clubs do you know that print its own Spanish newspaper? Well, El Castellano does! Its dedicated members work hard to produce every edition.

ART CLUB

Where would this country be without art in all forms? Where civilization be, for that matter? Art is the essence of our daily life. From the alarm clocks that wake us up to the houses we live in, and the cars we drive, art is involved in all we do. We think art, eat art, walk art, talk art, we are art!

FIRST ROW: Chris Allen, Kathy Kallas, Cheri Owings, Laurie Sappa, Ellen Epp, Nancy Spindler, Pat Korn. SECOND ROW: Linda Svatik, Sue Eberle, Vicki Hermann, Mr. Ludlow (advisor), Keith Timm, Patty LaBarbera, Fay Kupka.

Interested in Germany, the language, the people, and the customs of the country? Or does your family have a German background that may interest you? The club for you is the German club. Through parties, slide presentations, and guest speakers, members learn about the German heritage.

LETTERMEN'S CLUB

Remember sitting in seventh hour on Friday afternoons and finding your nose being assaulted by the aroma of freshly made popcorn? It was the Lettermen at work! They sell popcorn and soda at football and basketball games to raise money to buy sports equipment.

PEP CLUB

Pep Club is the sale of Homecoming buttons. Pep Club is Spirit Week. When the Sophmores were told to wear tennis shoes so they wouldn't use their feet, the Juniors were told to wear mittens so they wouldn't use their hands, and Seniors wore hats so they wouldn't use their heads. Pep Club is the making of locker emblems for every sport. Pep Club is posters for sports each week. Pep Club is playing Goddess while Eve picks Chuck Wenzler as her Adam. Pep Club is Jeff Heider playing his role—the drunk. Pep Club is helping organize Homecoming. Pep Club is doing the decorating for the all sports banquet. **THE PEP CLUB PROMOTES SCHOOL SPIRIT!**

TECHNICIANS

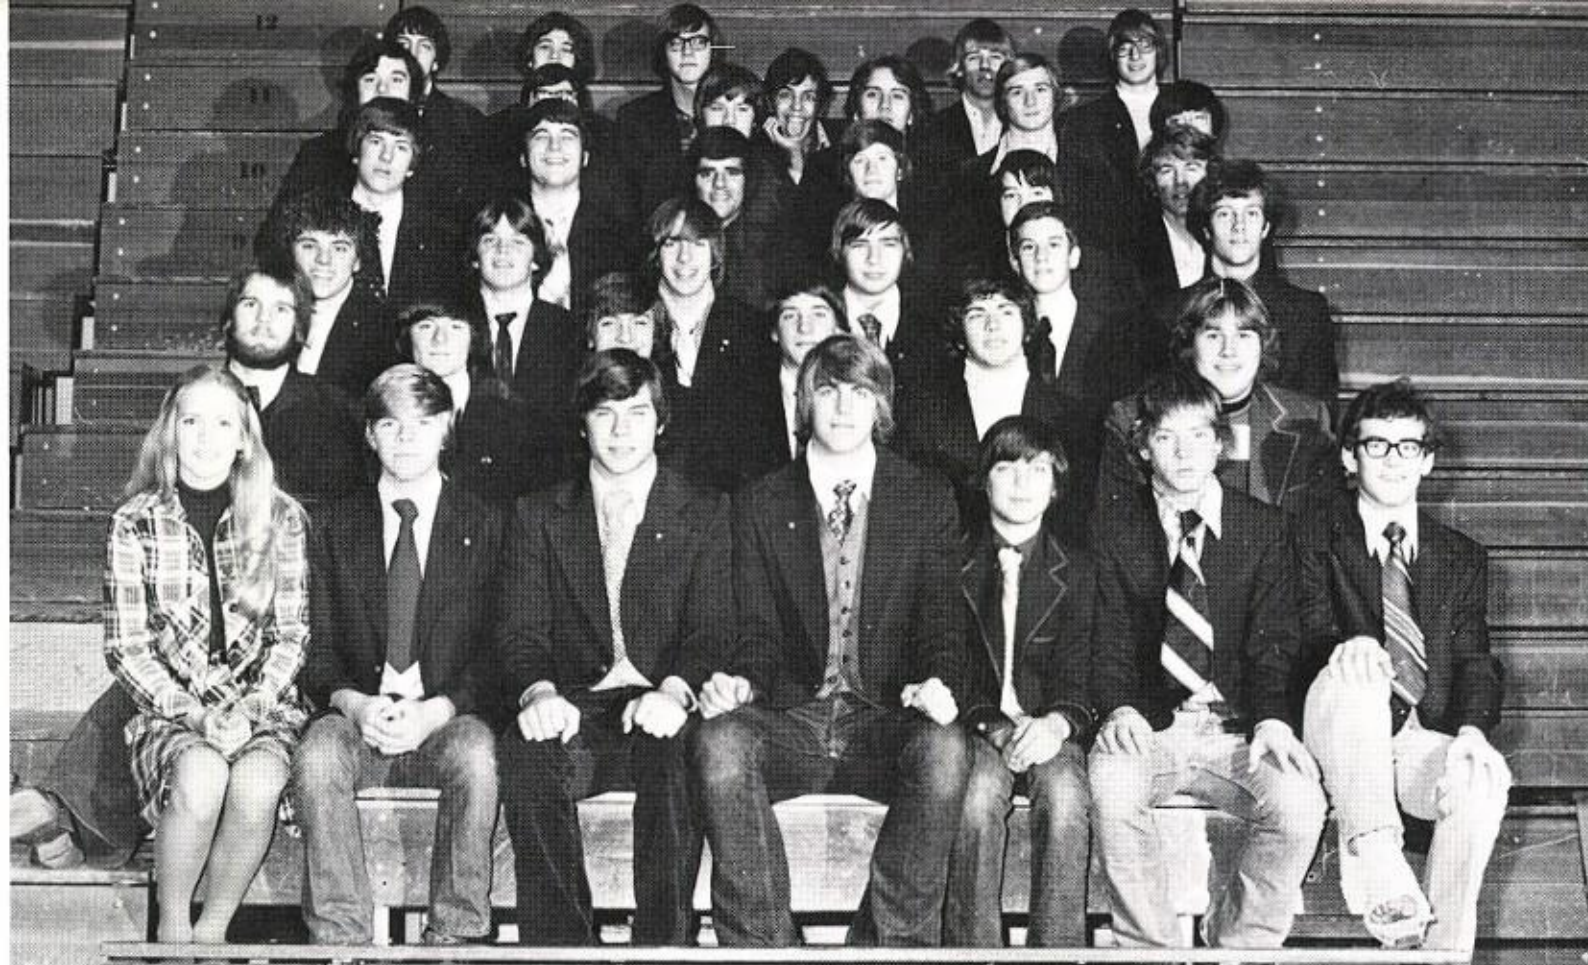

Responsible for over 2,000 square feet of Electronics Lab containing equipment valued in excess of \$1,000,000.00, the personnel pictured here have accumulated vast amounts of time preparing the new lab for occupancy as well as repairing dozens of pieces of test gear and operating the Amateur Radio Station. Two of these must be singled out for their exemplary attitude and true Spartan Spirit in collecting thousands of electronic parts for use in Student projects. Both Juniors, Jeff Grove and Mike Larson have more than earned the title of Lab Technicians of the Year. Their work (in excess of five hundred hours) plus the work of the others pictured on these pages has saved thousands of dollars for BEHS and has resulted in one of the finest electronic lab facilities in the mid-west.

Truly one of the most active clubs in the school, the Key Club has involved itself in all parts of Brookfield East's school life. The club has even formed its own entertainment, showing cartoons, and comedies (The Marx Brothers and American Graffiti). One major event was the "Beer Can Spectacular", when dealers from miles around came to buy, sell, and trade beer cans. The club's big project this year was to get the Ecology Center off to a start by providing a pond for birds and keeping the area in its natural state.

FUTURE TEACHERS OF AMERICA

Many students aspire to become the kind, considerate and dedicated people we all know as teachers. Dedicated they are, for who else sits up late nights and keeps busy over weekends correcting assignments but teachers? They constantly dream up new ways to liven up classes and make them interesting.

In hoping to become like these teachers, Future Teachers of America traveled to other schools and the Academy of Basic Education this year.

Officers: Beth Murel, Debbie Hurley, Kathee Tuttle. NOT SHOWN: Debbie Jacobson, Jill Zabochnik, Marilyn Meyers.

FBLA members participated in a variety of activities this year to develop their leadership qualities. As well as visiting business to discover what the world of stock markets and mergers is all about, the club held contests of skill, did philanthropic activities for Elmbrook Hospital, and were active in the March of Dimes; quite the active club.

FRENCH CLUB

Not only do French Club members enhance their understanding of French culture through guest speakers and field trips to French restaurants, but members "take care" of Brookfield East's foster child. As club advisor Mrs. Ulrich put it "The French Club has taken over the handling of the financial support of Kim do Sung, BEHS's foster child in South Korea. We originally wanted a French speaking child, but as none were available at that time, we were given the chance to support Kim. We have 'raised' one other child who is now self-supporting."

LATIN CLUB

LATIN LIVES!

Most people think that the Latin language and culture are dead. To that thought members of Latin Club politely reply, "Taurus squalar!" (nonsense). Latin is alive in all parts of our language and society. Even our roads are copies of the Roman's with a layer of asphalt on top. Most of all, the language we and most of Europe speak consists of many Latin idioms, while half of our language as a whole has its roots in Roman times. No wonder there is a movement afoot in the European Common Market to use Latin again as the "European Language."

CONSERVATION GUN CLUB

The main goal of the Conservation Gun Club this year was to work with the Key Club to improve the Biology study area. They hoped to provide a natural habitat for wildlife. Trails were blazed, trees planted, and part of the acreage bought was converted to natural prairie. The club also arranged to have a wildlife pond dug.

OFFICE AIDS

"Office aid. Office aid please." That's the call to duty from the front office for the fastest girls on their feet, the Administrative Office Aids. Who else but these female Flash Gordons could deliver ten messages to all corners of the school at 2:55? You know who they are. They're the girls you see coming to the door just after class has started, asking, "Any absentees?" Truly a service to the school, they give up their study halls and give of themselves to help run the school efficiently.

FIRST ROW: Laura Behling, Sara Grotenrath, Teri Diekroger, Marge Adams, Mary Ellen Koeler, Linda Mydiach, Diane Brzezinski, Gail Croisatiere. PISCES

What could Pisces be? Hmmm, the Latin word pisces means fish. That's it! Pisces is an aquarium club. But wait. Pisces has something to do with astrology, so it could be an astrology club, right? Well, wrong. Though I'm sure the beautiful girls in Pisces club would not like to be equated with fish, they do swim like fish. Their synchronized swimming is a fine art in itself, and they master their skill as an orchid does its opening to the sun. Water ballet by another name, swimmers go through extensive training and endless practice to perfect their act.

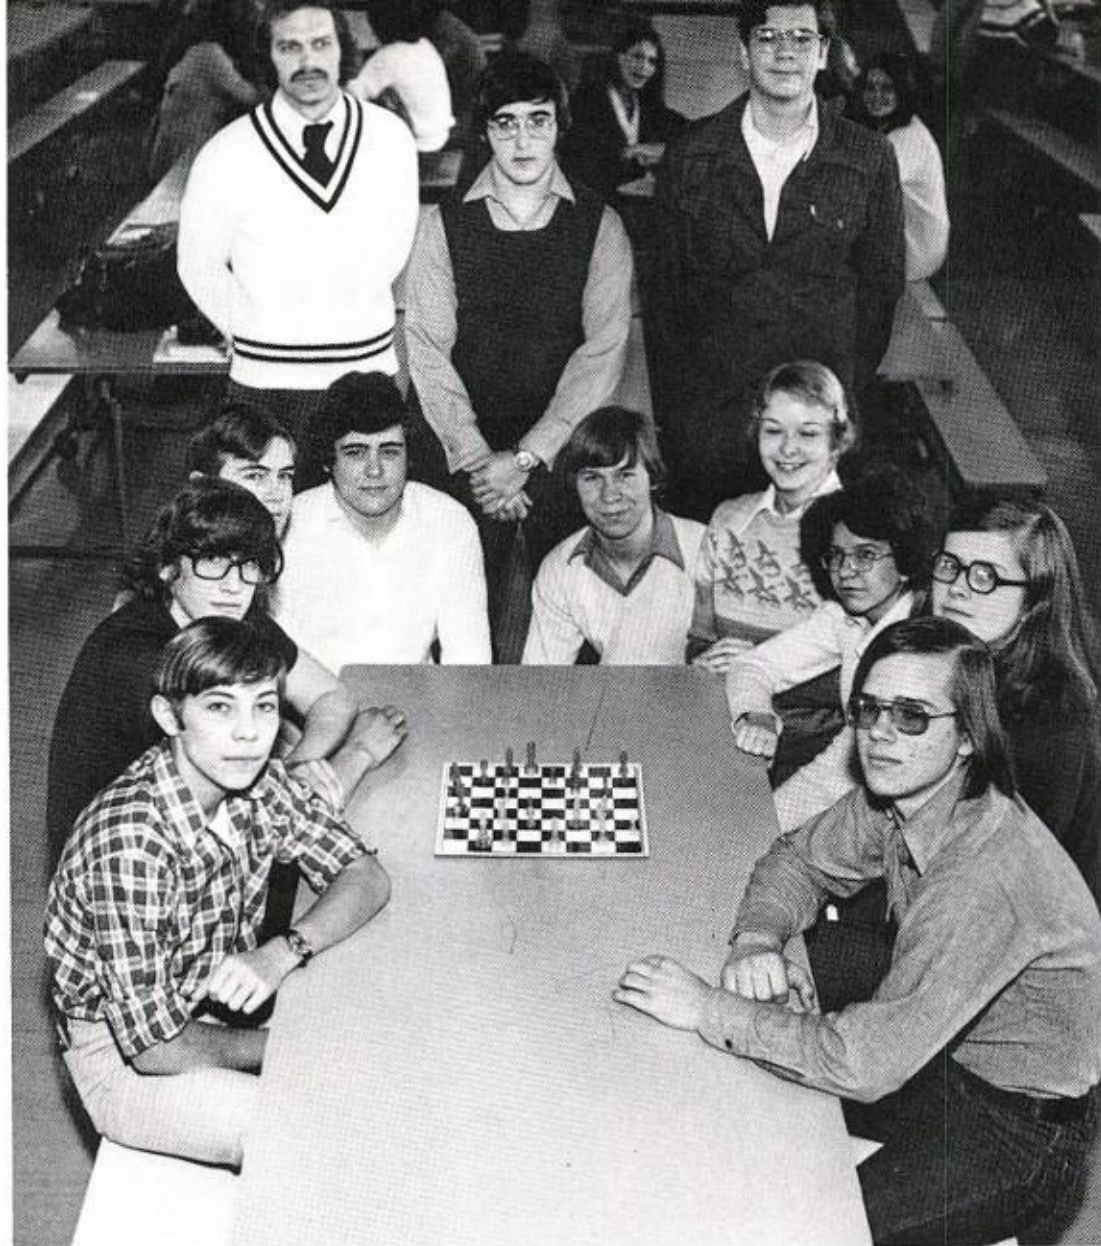

OFFICERS: Chris Herriges(Sec.), Ann Dudenhoefer(show chairwoman), Linda Schuerer(V.P.), Bonni Blachly(Pres.), Teri Deikroger(Treas.) NOT SHOWN: Jamie Manhardt(show chairwoman).

CHESS CLUB

"Pawn to Queen's Bishop four." "Queen to King seven, check mate!" Sound familiar? If it does, you're obviously a chess player. Truly an absorbing game, chess has endured the centuries to become a popular sport, and it is a sport. Anyone watching a chess player in action would see that his one most powerful muscle is hard at work—his brain.

DEBATE

Do you consider yourself aggressive or do you sit back and surprise the crowd? Whichever, debate accepts either type. Getting your point across is important and your strategy is also. Coached by Ms. Seiser, the 75-76 team had a very successful time beating other teams. Debate offers more than just arguing your views. Research and hard work are put into each meet and the team must be aware and alert for rebuttle arguments. Congratulations for a fine season team!

VISUAL AIDS

The Visual Aids are a group of students who help out the school in a variety of ways. These dedicated students volunteer their study halls and some time after school to help out teachers and students. They handle the issuing and distribution of everything from batteries to televisions. They truly are a help to the school.

FIRST ROW: Mark Kressin. SECOND ROW: Joe Loper, Jim Loper, Mr. Kraase (advisor). THIRD ROW: Jeff Grove, Debbie Hurley. FOURTH ROW: Dale Ziegler, Steve Gawronski.

VIDEO CLUB

Video Club is a new club this year. It branched from Visual Aids and specializes in video-taping basketball games, and other school events. They also repair audio-visual equipment for the school. While most of you are watching the basketball games, the video club is upstairs making a professional production of the game, which includes everything from doing commentary on the game to putting the names of free-throw shooters on the screen. They do all of this as a service to you.

TRACK TEAM CAPTURES TITLE

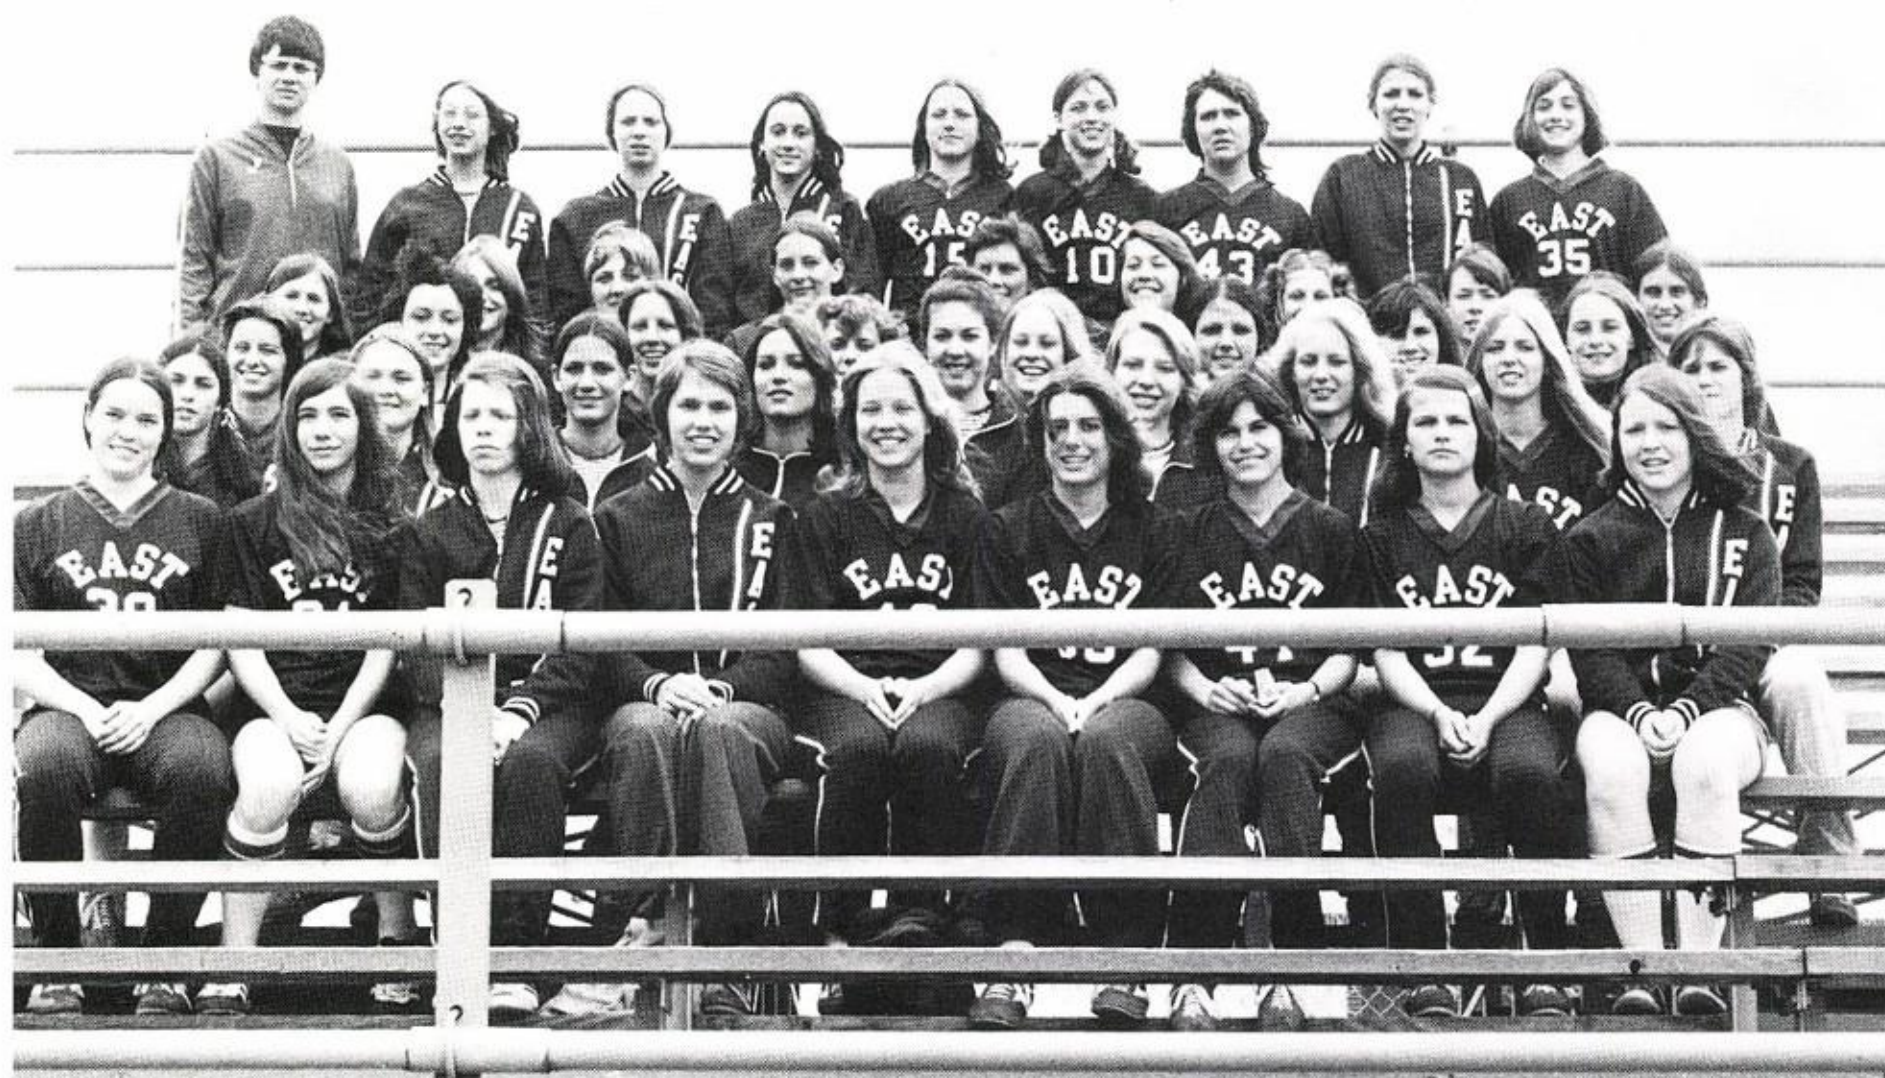

East's trackmen proved themselves worthy of their Conference Championship Title. Co-captained by Al Sapa and Roland Jobke, the team recorded its best showing in nine years.

Voted the team's Most Valuable Player, Steve Witt's exceptional efforts in the one hundred and two hundred-twenty yard dashes aided the Spartan's outstanding outcome. Two high-powered returning seniors, hurdler Al Sapa and sprinter Mike Egan, hope to make this year's tracksmen as unbeatable as last year's, and once again raise the victory flag over our school.

Karen Gray, Dare Desnoyers, Laura Gordon, Wendy Stark, Judy Mulvena, Peggy Ove, Barb Wehnes, Jan Bugalski.

To have fun, to have team unity and spirit, and to play well as individuals are three of ten objectives Coach McCarthy proposed for her tennis team for the '75-'76 season. The team placed third in Conference, finishing with a 9-1 record, losing only to Nicolet. The big asset to the team was Laura Gordon, who now holds the State Championship. Hopefully she can repeat her outstanding achievement in years to come. Next years goals are to beat Nicolet and to take the first and second singles and first doubles to State.

EAST'S SLUGGERS HIT .500 MARK

The Spartan Baseball team took to the field this past summer and finished with a respectable 10-10 record. The team averaged four runs per game while holding the opposition to three runs. Co-captains for the team were Bill Bohrer and Jon Dzurak.

East will look forward to returning pitchers Mark Peschman and Tom Carek. Tom Carek led this summer's team in almost every offensive category while batting .330. For this, he was awarded the Most Valuable Player award.

CROSS COUNTRY FINISHES WELL DESPITE PROBLEMS

Varsity cross country had various difficulties this year, such as having three of the top ten teams in the state in the conference and having our own top runners sustaining injuries. Despite these difficulties, the team came out a surprising fifth in the conference, showing that they could come through undaunted in spite of problems.

J.V. RUNNERS PREPARE FOR FUTURE

Above all, cross country is a sport of endurance. When one hears of the sport, he might picture a lone runner having a leisurely jog over grassy hills and through picturesque woods. To the contrary, cross country is a gruelling struggle, pushing oneself to the limits of endurance and beyond. J.V. cross country runners showed themselves to be able to do just that, winning six dual meets and losing four.

Varsity Golf, under Coach Neal, had a commendable season for 1975. Led by co-captains Jeff Wood, Bob Schuller and Scott Shepherd, also most valuable player, the team ended with a better than .500 record.

SPARTANS CRUSH LANCERS

With Coach Race's competent guidance and direction, the Varsity football team pulled in a successful season, winning seven and losing only two games. One of the highlights of the year was defeating Brookfield Central, 28 to 7 in the last game, thus ending Central's 14 year reign over the Spartans. Even more memorable was the team's win over Brown Deer, who had been rated sixth in the state. For doing this, they won WZUU's award for the football team of the week.

JUNIOR VARSITY GETS EXPERIENCE

The junior varsity football team is the school's hope for next year. Even though, with two wins seven losses, the team did not have a good season, they will, with the support of the school, go on next year to be more successful.

Under the direction of Coach Kraeft, the sophomore football team had an outstanding season. Gaining eight victories and only one loss, the team averaged an astounding 30 points to their opponents' 8. Should this group of football players keep winning in their junior year, they will certainly be a hope for the future.

"Anticipation"

Malinda Long and Julie Pemble ready for the gun

Following a really tough to beat season of last year, BEHS swimmers took fourth in Conference and were runners-up in Sectionals. Coached by Miss Lindy Kemp, several of the girls proved their efforts very worthwhile. Placing thirteenth in the state was the relay team of Terri Bottoni, Chris Rex, Angela Koch, and Kris Euwema. Valinda Martin placed second and fourth in the one hundred yard Butterfly and the two hundred yard Individual Medley respectively, and voted Most Valuable Swimmer was Malinda Long. Led by co-captains Kris Euwema and Chris Rex, the "Leakers" came through again this season to do the job as in previous years and hopefully in years to come.

FIRST ROW: Mark Stich, Rick Schim, Jeff Paro, Tom Carek, Ken Cameranesi, Jeff Newbauer, Kevin Kelly. SECOND ROW: Mark Murray, Mark Peschman, Carl Erck, Scoot Harms, Joe Przybylski, Coach

Luebstorff. THIRD ROW: Dan Adams, Kurt Kuechler, Jim Kessenich, John Faupl, Mike Gardener.

CAGERS MAINTAIN REGIONAL DYNASTY

A group of inexperienced ball players showed up for the first day of practice and practice is what they did. After the smoke had cleared and the conference season was over, this group had been turned into a fourth place team capable of defeating the seventh place team in the state. The Spartans went into the regional tournament nervous as ever, but emerged victorious with an exciting win over rival Brookfield Central. This was the third championship in as many years for Coach Luebstorff and his teams.

UNDERCLASSMEN CAGERS PREPARE SUCCESSFULLY

This year our juniors and sophomores represented this school in fine fashion by taking first place in each of their respective divisions. The sophomores had the longest winning streak in the school's history and the juniors went undefeated. Next year should be another successful season for the varsity squad.

FIRST ROW: Tom Friesch, Lee D'Agostini, Greg Walsh, Tom Rampetsreiter, Jim Nieman, Jim Ziemendorf, Bob Moratz. SECOND ROW: Tom Savio, Mike Farrell, Dave Christman, Jim Berg, Eric Johnson, Marty Schoenecker, Rob Daley, John Schim, Coach Hagman.

SWIMMERS MAKE WAVES AT STATE

Spartan Swimmers had an extremely successful season this year. After breaking every school swimming record, co-captains Hinchcliffe and Wills led a determined group of young swimmers to Madison for the state meet. These men surprised the swimming world by placing third in the state. The team also defeated such strong teams as Marquette, Tosa West and Nicolet in taking first in the Trojan Invite.

CONFERENCE CHAMPS
1975, 1976, . . . ?

GIRL'S GOLF SWINGS INTO THIRD

LEFT-RIGHT: Cindy Butler, Kris Sutton, Kithy Barger. NOT SHOWN: Debbie Williams, Kris Korte, and Coach Erwin.

Unlike last year, East's girls golf team, coached by Mrs. Shirley Erwin, was able to compete this year—and did so rather successfully. They placed third in conference and fifth in sectionals. Team member Kris Sutton, a three year veteran, was voted captain. A sophomore, Debbie Williams, was voted most valuable player. Debbie was a medalist at regionals.

With three graduating members, the team will need more support for their next season to qualify for competition. So, if your talents are in playing golf, the Girl's Golf team of 1976 wants you!

Jerry Rubatt, Doug Malaha, John Emanuel, Jeff Heider, Joedy Krueger, Larry Freigang.

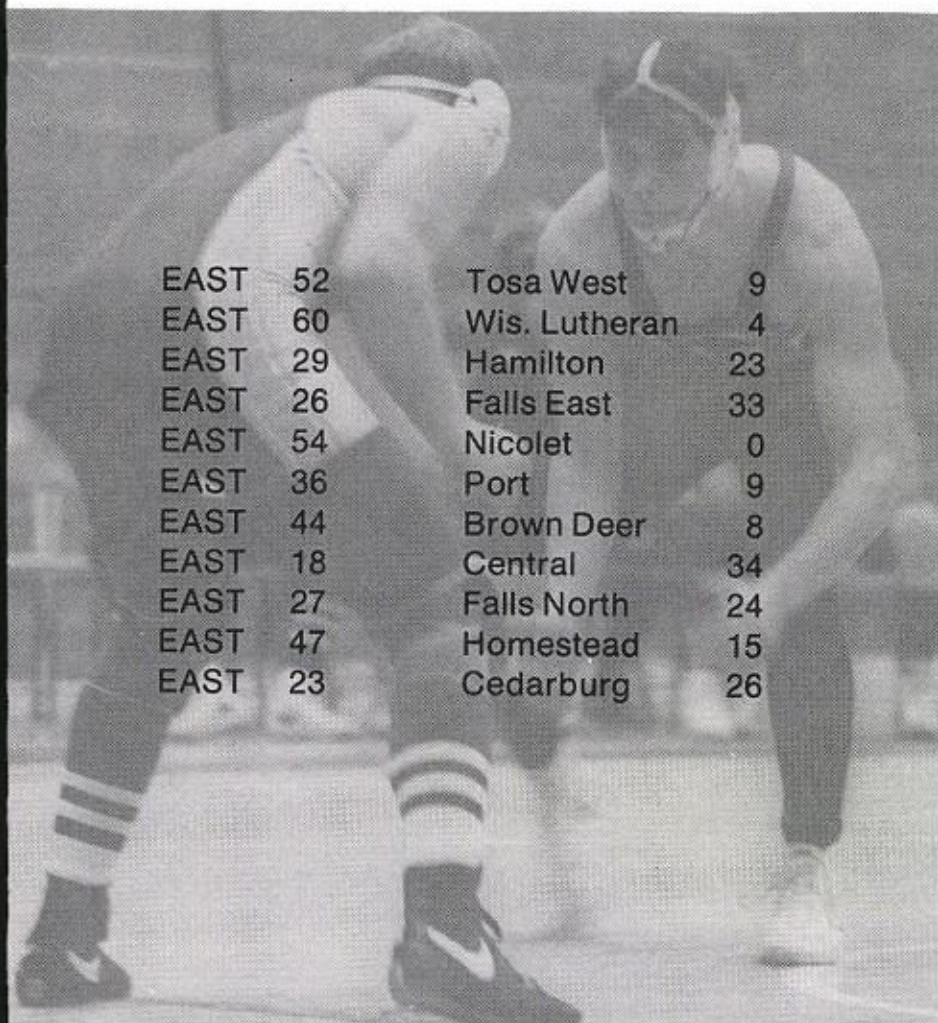

WALSH REPRESENTS TEAM AT STATE

The wrestling team, filled with amazing youth mixed with some veterans, compiled a respectable 5-5-1 record. After finishing fourth in the conference meet, the team went into the WIAA tournament. Jerry Walsh, 132 pound senior for East, went all the way to third in state, the highest spot ever taken by a Spartan wrestler.

GYMNASTS VAULT TO VICTORIES

Gymnastics, unlike many other sports, demands extreme physical AND mental endurance which is the reason for a season which encompasses a full six months. Led by many returning gymnasts, this year's team enjoyed great success in dual meets, winning 9 of 10. Also, the team scored high in invitational and WIAA competition, qualifying the entire team for the final state meet.

VOLLEYBALL TEAM SETS UP FOR GREAT SEASON

Volleyball, a precision sport, is satisfying to watch when played properly. Three hits, one to stop the serve, one to set it up to the very edge of the net, and a slamming spike down to the opponents' floor make up the perfect play. The Girls' Volleyball Team played successfully, winding up their fine season by placing 2nd in Conference and 3rd in Regionals. Jeanne Feldman was chosen as the MVP.

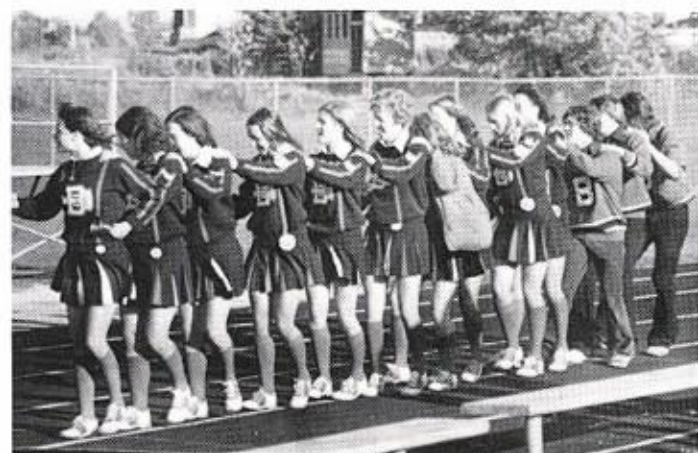

CHEERLEADERS

Libby Haug, Eddy Turck, Sally Danforth, Mark Wiegand, Laurie Kolda, Peggy Danforth, Dennis Miller, Sue Wenzel, Sandi McEachron, Chuck Wenzler, Chris Brozovich, Bonnie Berndt, Linda Craig.

Who are the people who are most dedicated to sports at East besides the athletes themselves? The cheerleaders! They don't miss an event and they always seem to be happy and enthusiastic, even in the chilly fall afternoons of football and the tense seconds of basketball. Leading their teams on to victory are those who really care about victory and school spirit—the Cheerleaders.

FRONT, Left to Right: Kim Klopp, Ann Murel, Julie McCoy, Peggy Cash, Chris Witt, Jeannie Crampton, and Julie Williams.

New this year, the Individual Sports Cheerleaders are the girls in the red and white outfits seen cheering at wrestling matches, swim meets, and gymnastic meets. Innovated by Miss Larson, the group is meant to give support to sports other than football and basketball. These cheerleaders are led by three coordinators, one each for wrestling, swimming, and gymnastics. Now these sports can have their cheers lead them to victory too!

SPARTANETTES

Pom-poms flying, music playing, and faces smiling, characterize this year's Spartanettes, who provide entertainment at Pep Assemblies, and during halftime at football and basketball games. They practice for hours and all are dedicated to provide happiness for spectators. Don't believe it? Just watch 'em sometime!

OFFICE STAFF

Who is responsible for keeping the school together in an organized fashion? Yes, of course the administrators—but—they have help. The school secretaries in charge of paper work and typing and answering the phone to their best to help you the student keep your sanity through those trying high school years.

Mrs. Verna Hendrickson

Mrs. Verna Hendrickson Guidance Counselor, AFS Advisor. Received MA from U. Michigan. Born in Ft. Wayne, Indiana and attended South Side High School.

GUIDANCE

College—a major decision that has to be made by seniors, to determine whether or not to go, and where to go to. Course planning—those important decisions that can affect the students' future. Or, when the pressures of work and school become too great and you just have to turn to someone. For all this and more, the student turns to our fine guidance department for assistance and direction.

Mr. Marc Sijan Art Ceramics, Graphics, and Ceramic Club Advisor. Received MSR from UW Milw. Born in Milwaukee and attended Bay View High School.

ART

Did you ever want to express yourself in one certain way—but words just couldn't explain it? Our way to overcome that gap is through art.

Art can express emotions and feelings like words can't. And that's just what the instructors here at East are trying to help young artists do. Learn to express themselves through artwork. Try it sometime—you'll find it really works.

MUSIC

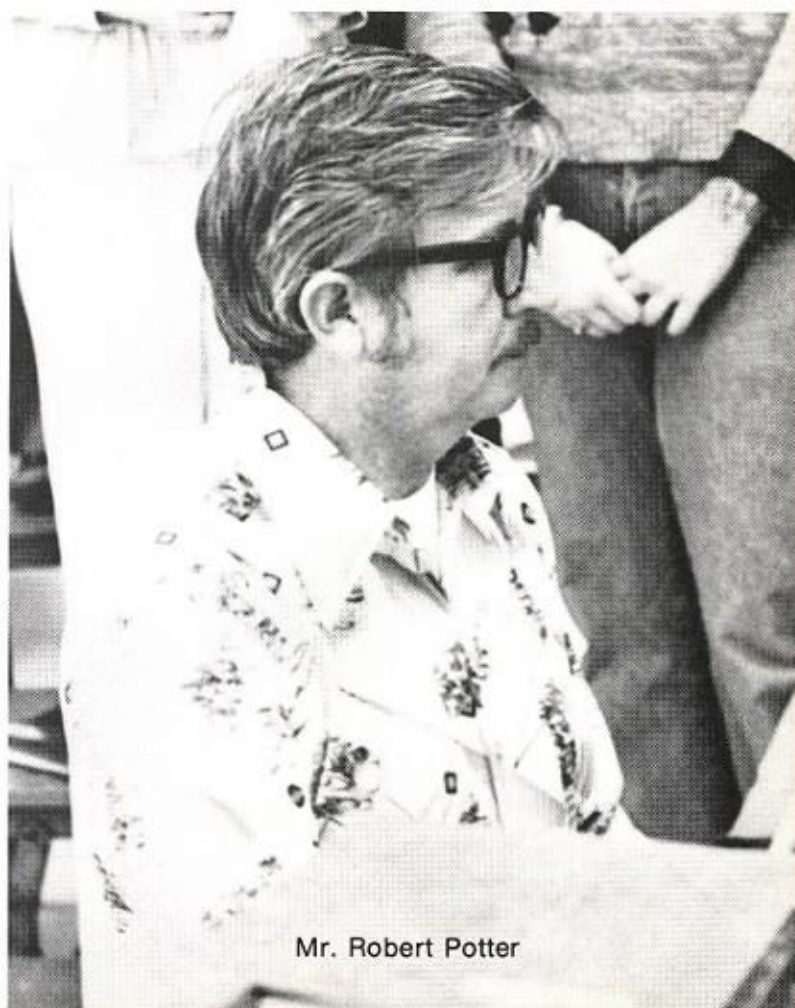

Annual musicals, Chorus, Music Appreciation, Band, lessons, concerts. Aren't we lucky? All of these things are a part of BEHS's music program and everybody has the opportunity to take advantage of these. With the help of Mr. Potter and Mr. Folsom, East has produced several talented musicals, and that's great. Just like the music produced by East. Great.

HOME ECONOMICS

Home Economics is not just training for those material endeavors of sewing, cooking and child care, but a basic for many roles in society. Take for example, the hospital dietician. Along with her job go years of training and experience all of which starts way back in her high school home economics class. Doubtless, she had a fine Home Economics department much as we have at Brookfield East.

BUSINESS EDUCATION

Plan on going to college? Take typing! For that matter, why not throw in notehand. The value of the courses will become obvious to you, as a college student, trying to take down what the professor is saying, and then going to the dorm needing a way to put out a neat copy of your term paper. For an understanding of these methods, Business Education is mandatory and what better place to study it than in our Business Education Department.

ENGLISH

Even though it may not always seem like it, English teachers are really trying their very best to make their class seem interesting—rather than just another course to fill up your schedule.

English isn't just the study of nouns and verbs and learning correct grammar and spelling. Fortunately for us, East offers variety in their English Department from British Lit. to Journalism and several in between. If you're looking for an interesting creative course—take English.

FOREIGN LANGUAGE

Kids will say, "Why should I learn a foreign language when I don't even know English yet?" Good point—but how many people know every bit there is to know about English? Actually there's nobody fitting that description.

What a lot of people don't know is that a foreign language is often times required for college-bound students.

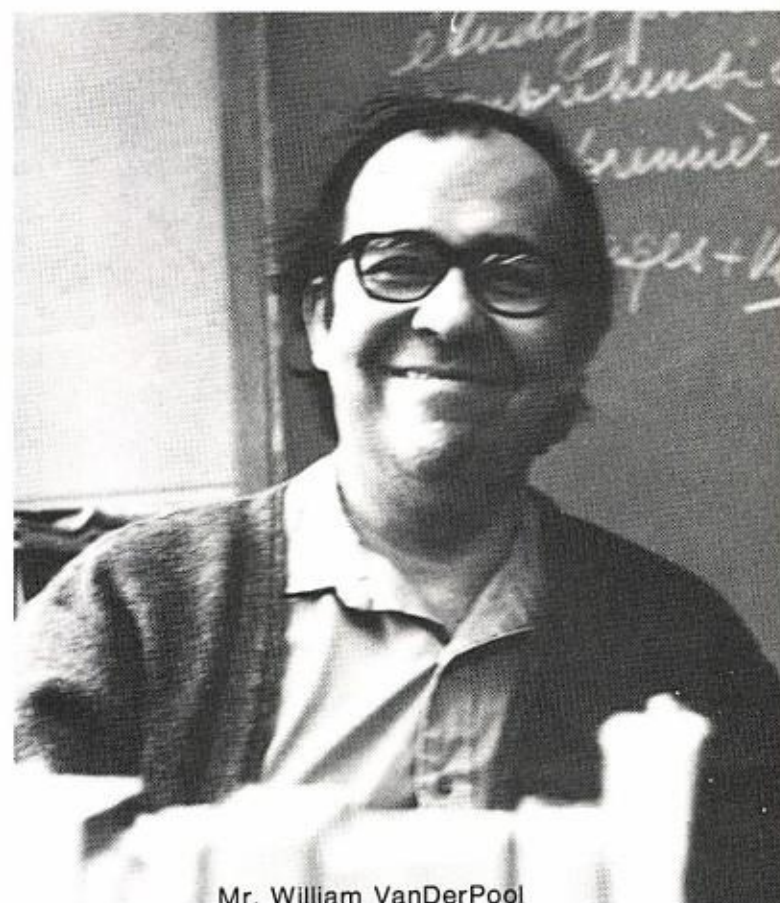

Foreign language isn't only learning vocals and grammar, but customs and traditions too, which help make it interesting. There are even trips to foreign countries which are in connection with the foreign language department. So, for travel, general interest, and, of course, knowledge—take up a foreign language. It's not just a class, but an experience.

MATHEMATICS

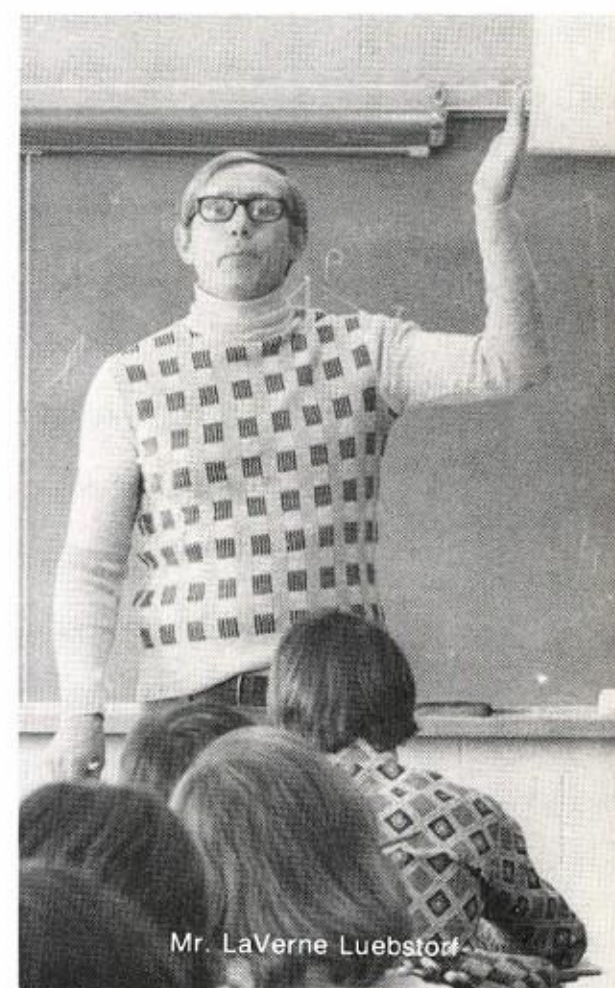

In these days of computer technology and increased importance of science, Mathematics is becoming increasingly important. As Roger Bacon put it as far back as 1267, "Mathematics is the gate and key of the sciences," and will open up the doors for those studying it.

Mathematics also serves to develop one's logic and reasoning. For mathematics to do these things, one needs an excellent math department such as the one we have at Brookfield East.

SCIENCE

Where would we be if science hadn't developed so rapidly these past twenty-five years? Men wouldn't be taking trips to the moon, we wouldn't have color TV, and we wouldn't be doing a lot of the things we do now.

High School is the time when science really becomes fun and interesting. You've spent all of your elementary school years learning most of the basics and in junior high used those facts for simple experiments. But now that you're in high school the experiments and labs become harder and more interesting.

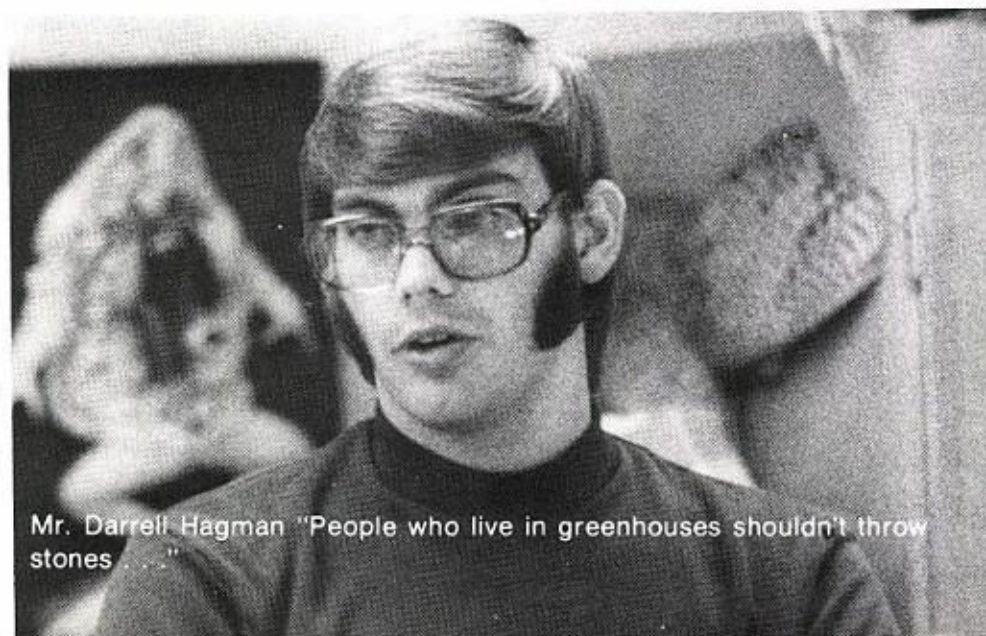

The teachers in the Science Department of BEHS have satisfied the students' search for knowledge for years. Keep up the good work!

SOCIAL SCIENCE

As the yearbook goes to the press, the first SST flights being allowed to go on a 16 month trial period begin bursting across the skies at unimaginable speed. In these days of supersonic transports, it becomes imperative to be aware of the changing world around us. Also, it is necessary to understand the principles behind the founding of our Constitution in our Bicentennial year. Such is the job of our first-rate Social Science Department.

HEALTH & PHY. ED.

If you care enough about other humans to save their lives or health in an accident, you can appreciate Health Education. If not, you probably gleaned enough about first aid from our fine Health Department to help in an emergency, anyway.

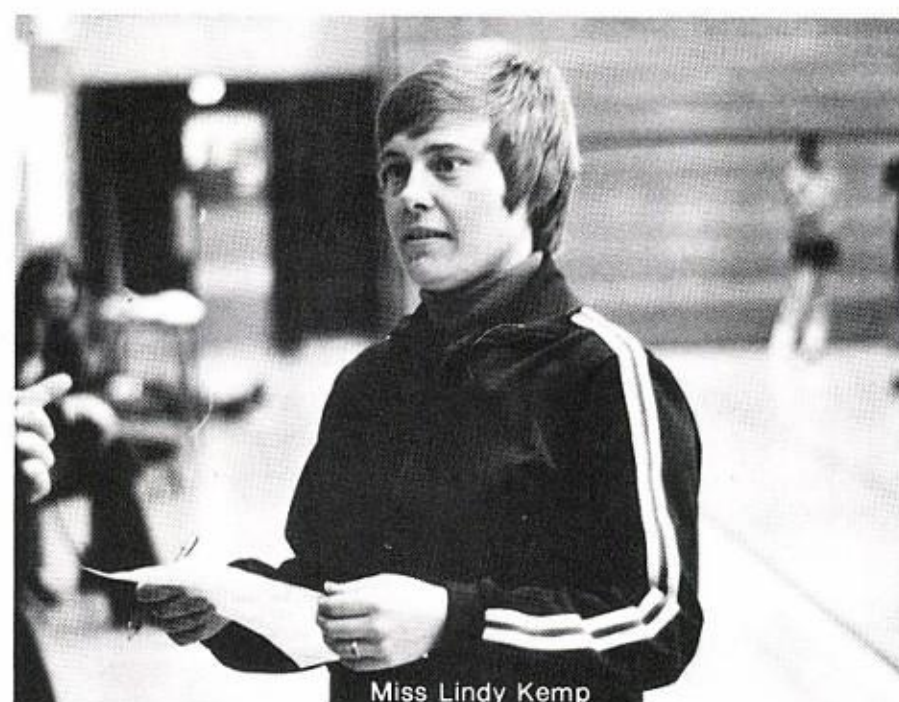

By constantly playing sports or working up a sweat, whether enjoyable or not to the student, we keep our fine bodies alert, thus keeping our minds alert. Who needs Phy. Ed? Everyone!

Mr. Floyd Sorenson Athletic Director, Adaptive Phy. Ed. Received Masters from UW-Madison. Born in Oconomowoc and attended Oconomowoc High School.

Mr. Alan Gusko

DRIVER'S EDUCATION

As accident rates rise in Wisconsin, more and more emphasis is put on educating the driver thoroughly before he gets on the road. Certainly the blame for the rising accident rate doesn't lie on the shoulders of the fine Driver's Education Department in schools around the country. Hopefully, the accident rates will start to drop in coming years, as the percentage of drivers who were properly educated keeps rising.

Mr. Albert Heling Driver's ED. Received MS from UW-Madison. Born in Lake Geneva, WI and attended Lake Geneva High School.

Mr. William Fleischman

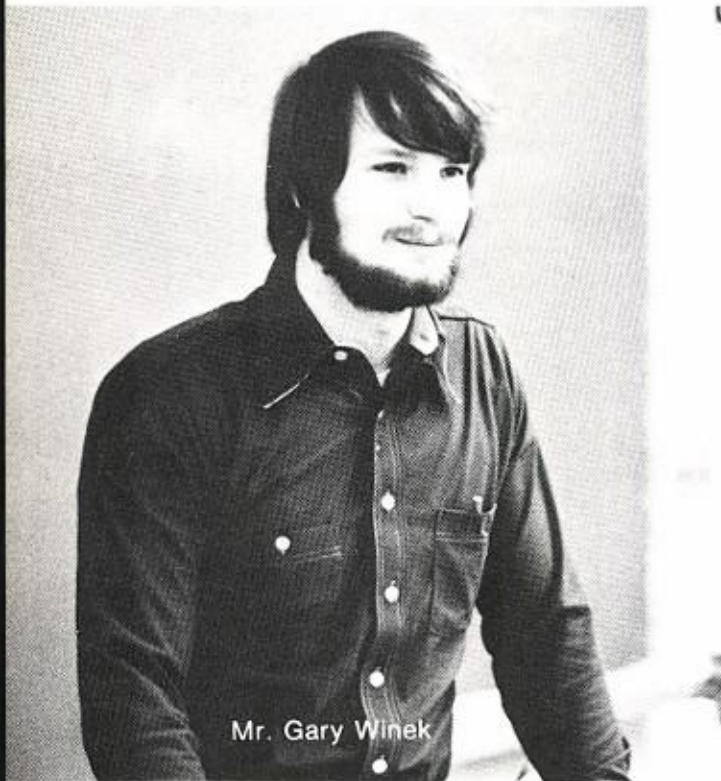

INDUSTRIAL EDUCATION

Industrial Education has taken a whole new perspective at East this year. An entire wing has been dedicated to this aspect of learning. Hundreds of guys and girls can learn by operating on the equipment that is used by the professionals.

Students can pursue what they're really interested in by bringing their own cars into the auto mechanics shop, by using the new dark room to develop their own photographs.

Several courses have been offered this past year and students have been showing a real interest, which really makes the education process worthwhile.

Mr. Strong Furniture Making, Cabinet Making, Building Construction, and Material Processing. Assistant Wrestling coach. Received BS in Industrial Education from UW-Stout. Born in Appleton, WI, and attended Brookfield East High School.

The graduates are coming forth—
 God bless them everyone!—
 To run this hard and stubborn world
 Just as it should be run;
 But much I fear they'll find that facts
 Don't always track with dreams;
 And running this old world is not
 As easy as it seems.

The graduate is prone to think
 His wisdom is complete.
 He's but to ask—the world will lay
 Its trophies at his feet.
 But school days done and work begun,
 He learns to his regret
 The college of experience
 He has not mastered yet.

This is the rule of life today,
 As it has ever been:
 The world bestows its smile on those
 Who have the strength to win.
 Beneath all outward semblances
 It looks for merit true.
 It cares how much you know,
 But asks what can you do?

Ah, being a sophomore, making a fool of yourself because you don't know what's going on. Like the sophomore in Dr. Cook's clutch saying, "Why, do you work here?"

Remember how the sophomores were laughed right out of the gym at the first Pep Assembly?

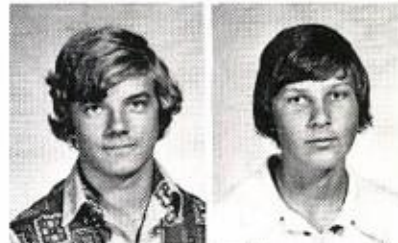

What do sophomores remember? The "Ready—begin!" of speed reading—getting hassled behind the wheel in Driver's Ed.

And always, sophomores are put down by Juniors and Seniors.

Cheer up sophomores—the best is yet to come. It has to, because when you're on the bottom, the only way is up!

"My lips are sealed."

As this bicentennial issue of ECHO—'76 comes into your possession we of the staff hope you will but a little realize the labor that has made the preceding 239 pages possible. Thousands of person hours, thousands of pictures taken (to be carefully pruned to those included in this book), thousands of words written, re-written, and many times re-written again. Frustrations and joys, laughter and tears, agreement and disagreement—all these and more make up a year of endeavor which—we fervently hope—has culminated in another fine product. The finest that our educational, cultural, and social center we call BROOKFIELD EAST has yet published—that's our opinion. We hope you'll agree after carefully inspecting each and every page of this tome.

To thank all who have succeeded in this effort would take many more pages than this writer has had assigned him, but several persons must be mentioned for their sheer determination, Spartan dedication, and magnificent accomplishment. Among these are our three Co-Editors: Debbie Eckamnn, Lori Ellenberger, and Mark Kressin. These three seniors battled many odds in the completion of ECHO—'76 but never lost their good attitude toward fellow staff members or advisor. And then, how could a book of photographs be any kind of success without a stalwart photographic staff? Led by Photographer-of-the-Year Jim Mueller (two years in a row!) more photogs helped in the assimilation of the pix on the previous 223 pages than ever before. Noteworthy among these are seniors Debbie Hurley, Erv Marsche, and Fritz Mielke, juniors Mike Hannam and Dale Zeigler, and sophomores Jim Hermann, Jim Marotz, Chris Rowe, Paul Rynkiewicz, and Bob Stollenwerk. A large, large thanks to all.

Tom-

glad that I got to know
you alot better this year
hope I see you in summer
& in summer next year

Good night - Bonnie Huber

Tommy
 Since I am the most intelligent
 useful person to sign this, I suppose
 will have to make it look good for the
 second person. Oh no? German was
 really funny, HA-HA. Have fun over the summer
 and maybe see ya some time at Xmas
 on something. Yours,
 Sue
